

**SERVICE STATEMENT**  
**AN04-005**  
**6.4 acres in Jefferson Township**  
**MI Homes of Central Ohio LLC**

**Public Safety:** The City of Columbus, Department of Public Safety will be able to provide the appropriate level of safety related services to the proposed annexation area. Such services will include police and fire protection as well as emergency medical service to the subject property.

While the petitioner for annexation may have proposed future development plans for the property in question, the Department of Public Safety requests that the City exercise its discretion in the coming development planning and review process to ensure any future development will be properly served by the Department of Public Safety. Discussions between the City and the present property owner or any future developers regarding post annexation changes in zoning or other changes to the property should include the Department of Public Safety and the Department of Development to ensure any proposed development of the annexation property may be adequately accommodated. Specific details for safety services are dependent upon the parameters of future development that is ultimately approved by the City.

At the present time fire protection for the proposed annexation is as follows:

**First response** from: Station 5, 211 McNaughten Road, 7 Personnel/ 4 Paramedics  
Apparatus responding: Paramedic/Engine, Medic, and EMS Supervisor.  
Time: 3.0 miles

**Second response** from: Station 23, 4451 E. Livingston Avenue, 10 Personnel/ 3 Paramedics.  
Apparatus responding: Paramedic/Engine, Medic, and Ladder.  
Time: 11.0 minutes.

**Sanitation:** Residential refuse collection services will be available upon annexation of the property.

**Transportation:** Maintenance will be available for any additional right-of-way that may be included in this annexation request, however, the City of Columbus shall assume no maintenance or inspection responsibility for that portion of the Taylor Station Road bridge that falls within the limits of this annexation. The Franklin County Engineer's office has assured the City that they shall retain these responsibilities. If this annexation

contains existing signalized intersections, those intersections and signals are subject to Transportation Division Policy, which appeared in the December 6, 2003 Columbus City Bulletin, and any subsequent updates thereto.

**Water:** This site can be served by an existing 8 inch main located about 350 feet to the south. Extension of this main will be at the developers expense.

**Sewer:**

Sanitary Sewer:

This site can be served by either a 12 inch sewer located about 2000 feet to the southwest or an 8 inch stub located about 1375 feet from the site along the south side of Westbourne Road. Mainline extensions would be at the expense of the developer.

Storm Sewer:

All storm sewers necessary for development/redevelopment of the area shall be designed in accordance with design policy and zoning codes in effect at the time of development.

All sanitary and storm sewers required shall be constructed privately by the owners/developers at their own cost and expense with no cost to the city.
