Re: Letter of support and variance

Representatives of the Columbus Metropolitan Library appeared before the South Linden Area Commission at May's meeting. Per your request, we have approved a letter of support for your variance, provided that you receive all necessary permits and approval from the City of Columbus. We believe in how the Columbus Metropolitan Library is trying to improve the economic vitality of the community in which we live. We commend you, and if there is anything else that you need, please do not hesitate to contact us.

Sincerely,
