**B) Resumes/Bios**

Please obtain and attach a brief Bio or Resume from any new Area Commissioners and attach it to the Membership Registration Form (see enclosed two samples). Resumes do not have to be extensive but the Mayor's Office wants to know who is being nominated for appointment.

Sally S. Harper is a graduate of Plains High School, Mt. Sterling, Ohio. She has been a resident of the Southern Pines neighborhood on the Far South Side since 1982.

Ms. Harper has an extensive work background. She began her employment with the Robertshaw Controls Co. in Grove City, Ohio and later also worked part-time with National Rx. National Rx was purchased by Merck Medco Pharmacy. In 1995, she began full-time employment with Merck Medco. Additionally, she has an extensive background as an officer in several labor unions, including as a Union Steward while at Robertshaw and at Merck Medco. She served as AFL-CIO President of the Local 7-730 of the Oil, Chemical, & Atomic Workers for two years, until she was disabled. During her tenure as President she handled union contract negotiations and that the contract was followed, which from time to time included negotiations and arbitration between the employees and management.

Ms. Harper has always been involved in her community, but since her retirement she has become very active with the Southern Pines Block Watch and has assisted neighbors in keeping the grass cut, as well as maintaining a clean environment. She looks forward to bringing her negotiation and communication skills to work with the Far South Columbus Area Commission.
