Subject: 2026 DWR Buy Plan Approval

Jon,
DWR is seeking director approval for the purchase of all below items for 2026. Included below is an additional request for a small trailer to mount equipment on in order to free up a truck for plant maintenance personnel at Jackson Pike. All other items below were included in the 2026 budget submission. Also attached are justification from the Stormwater group for vehicle expansion along with justification for expansions at Compost and SMOC.
