EXPLANATION OF LEGISLATION

AN03-002

BACKGROUND: This ordinance is being submitted to set forth the municipal services the city of Columbus will provide upon annexation of a territory located in Franklin Township. This ordinance is required by the Ohio Revised Code as enacted by the General Assembly of the State of Ohio. Notice of the annexation request was received from Franklin County. The ordinance must be passed before the annexation hearing takes place before the Board of County Commissioners of Franklin County. Information to determine the municipal services that would be available was compiled following the receipt of the notice. This process takes a minimum of two weeks to complete. Preparation of the ordinance and submission to the City Clerk in order to have a timely hearing before City Council requires a minimum additional time of two weeks. All of the above creates the necessity for emergency legislation in order to meet the hearing deadline.

FISCAL IMPACT: The statement of municipal services for a proposed annexation area has no fiscal impact. However, provision of the stated services does represent cost to the city. The annexation of land also has the potential to create revenue to the city.
