5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.

See the following link for the "Community Planning Areas" on the Fiscal Intranet site here:
<http://dpuweb/Portals/0/Fiscal/Columbus%20Planning%20Areas.pdf>

Work includes field surveys/investigations, preparation of construction documents, and engineering services during construction. The project is located in the Far Northwest community planning area.

6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

*For engineering agreements:

Specify the total term of the engineering agreement (ex. 4 year term). ***3 year term; however, this is not a term agreement; contract will remain open until construction is complete. Construction is anticipated to be complete by end of 2018.***

Specify the estimated ending month and year of the agreement based on the total term. ***December 2018.***

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

The intent of the project is to improve water quality leaving the basin and reduce basin maintenance and associated cost.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$81,320.37, including a 0% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$81,320.37
Future Anticipated Needs	\$ 0.00
CONTRACT TOTAL	\$81,320.37
