Rev. 06/09

The bearings herein are based on the Ohio State Plane Coordinate System, South Zone per NAD 83 (1986 adjustment). Said bearings originated from a field traverse which was tied (referenced) to said coordinate system by GPS observations and observations of selected Franklin County Engineering Department monuments FRANK 85 and WEST 17. The portion of the centerline of Schrock Road, having a bearing of North 78° 31' 16" East, is designated the "basis of bearing" for the survey.

This description was prepared using documents of record, prior plats of survey, and observed evidence located by an actual field survey performed by or under the direct supervision of Joshua M. Meyer, Registered Surveyor Number 8485 in November and December 2011, January 2012 and March 2013.
