Columbus Public Health  
Attn: Audrey Regan, PhD  
240 Parsons Ave.  
Columbus, OH 43215

Project # 02520012HP1320

Dear Dr. Regan:

The HIV Prevention (HP) Program will be increasing your notice of award amount due to additional dollars available to the Ohio Department of Health by the Centers for Disease Control and Prevention (CDC). The HIV Prevention Program is supported by federal funding from the CDC grant 18-1802. The HIV Prevention Program reached out to each of the regions to assess needs that would assist in achieving the strategies outlined in the 18-1802 grant. Below is the funding amount and strategies that were approved for your agency.

Columbus Public Health will receive an increase of \$50,000.00 to your HIV Prevention (HP) grant award. The category in which the funds can be applied is Social Marketing. CPH must submit a budget revision based on \$1,496,254.00 in total award, and the revision must be submitted no later than Monday, August 31, 2020 by 4:00 p.m. via the Grants Management Information System 2.0 and in accordance with the Ohio Department of Health's (ODH) Grants Administration Policies and Procedures (OGAPP). Please note that failure to meet the budget revision deadline will result in loss of these funds. No appeals will be accepted.

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions (3) allowable this fiscal year.

If you have any questions, please contact the Administrator of HIV, STI, & Viral Hepatitis Interventions and Treatment Section, Laurie Rickert at 614-466-1411 or e-mail at [laurie.rickert@odh.ohio.gov](mailto:laurie.rickert@odh.ohio.gov).

Sincerely,

Laurie Rickert, LISW-S  
Administrator, HIV, STI, & Viral Hepatitis Interventions and Treatment
