

## **2024 Combined Development Related Fee Schedule**

**Effective January 16, 2024**

### **GENERAL INFORMATION**

Per Columbus City Code (C.C.) sections 4103.14 and 901.01, fees are charged to defray the costs of providing services associated with reviewing plans, issuing permits, conducting inspections, keeping records, and other related activities. Additionally, fees are collected to reimburse for the costs of land use regulating activities, such as rezoning and applications for variances, site engineering plans, contractor licensing, and other assorted items related to the development process.

### **PAYMENT OF FEES**

All fees are non-refundable except as expressly identified in Section 4113.17 of the Columbus City Code. When applicable, base fees are per structure. All fees are due and payable at time of submission. Fees that are based upon square footage refer to the gross square footage of all areas of construction as specified in C.C. 4113.43.
