# Mark Lundine

Economic Development Administrator

Columbus, Ohio, United States

## Experience

### City of Columbus

14 years

#### Economic Development Administrator

January 2014 - Present (12 years 2 months)

Leads the Economic Development Division for the City of Columbus.

#### Assistant Director, Department of Public Service

March 2012 - December 2013 (1 year 10 months)

Leads the 3P process for coordinating public improvements in conjunction with private development projects.

### Ohio Department of Development

#### Urban Revitalization Coordinator

2008 - 2012 (4 years)

Led a 5-person team that managed \$500 million of Ohio's portfolio of physical development incentives.

- Ohio Historic Preservation Tax Credit Program: Directed this highly successful \$300 million program that has been a critical tool in Ohio's urban renaissance and has led to the creation of more than \$40 in economic impact per dollar invested

- Job Ready Sites: Managed the investment of \$150 million in one of the largest speculative site infrastructure investment programs in the US; the program created ready to occupy manufacturing and research facilities across Ohio.

- Ohio New Markets Tax Credit Program: Driving force in creating and implementing this innovative, complex financial program, investing \$50 million per year in low-income communities throughout Ohio; this program was one of the first of its kind on the state level and has been successful in attracting national investors to Ohio.

### City of Columbus, Planning Division

## Vision 2012

2007 - 2008 (1 year)

Helped manage a visioning project for Columbus' bicentennial, the largest public outreach process in the history of the city. Collected over 15,000 comments through a kiosk-based Think Tank booth at summer festivals, assisted in organizing a Citizen Summit attended by 2,000 citizens and set up specialized public meetings, including a College Student Symposium. Helped guide a 225-citizen commission that established citywide public and private funding priorities over the next five years and wrote the "Blueprint for the Bicentennial" document.

## City of Gahanna

Planning Intern

2006 - 2006 (less than a year)

Department of Development: Assisted department with a Fiscal Impact Analysis Report for the City. Assisted Gahanna city planner with the Hamilton Road Gateway design highlighting the southern entrance to Gahanna. Researched and assisted in writing the Wireless Communications Ordinance for the city.

## Accenture

Manager

1998 - 2006 (8 years)

- State of Ohio OAKS: Led a 12 person team that created the project schedule and work plan for the five year, 250 person project. Developed management reports that measured the project cost, schedule, performance, and quality. Worked with state and private sector project leaders to help make critical project decisions based on quantifiable information to stay on budget and on schedule.

- Defense Logistics Agency: Created a comprehensive quality management approach for the 1,000 person project that led to increased efficiencies and better results for the project. Led a team of five that ran a risk management process that mitigated over 5,000 program risks and received the highest rating for organizational excellence.
