Types of Bids

Bidders must bid for the Bonds at not less than the aggregate par value (\$237,495,000) with interest thereon accrued to the date of delivery, and premium, if any. Bids for less than all of the Bonds will not be considered. Each bid must specify an interest rate to be borne by the Bonds of each maturity, which interest rate must be an integral multiple of 1/8 of 1% or 1/20 of 1% and may not exceed 5.50%. Interest rates for different maturities need not be the same, but if a bid specifies different interest rates for different maturities, the highest interest rate specified must not exceed the lowest interest rate specified by more than 3%. Bidders may specify that the Bonds shall be issued as serial bonds, term bonds or any combination of serial and term bonds, provided that the combination of stated maturities and mandatory sinking fund redemptions are consistent with the principal payment schedule as set forth herein and in the Preliminary Official Statement. Bidders shall not be required to submit any bid security.

Method of Award

It is contemplated that the Director of Finance and Management or the City Auditor will award the Bonds, by certificate, at or before 2:00 p.m. on December 7, 2005. The Bonds will be awarded to the bidder offering the interest rate and premium resulting in the lowest true interest cost to the City. If two or more bids offer the lowest true interest cost, the Bonds will be awarded to one of said bidders, chosen by lot. The cost of delivery in the State of Ohio will not be considered in determining the best bid.

Adjustment of Principal Amounts

The City reserves the right to increase or decrease each principal maturity of the Bonds by up to ten percent (10%) prior to awarding the Bonds to the successful bidder, provided, however, that the aggregate principal amount of the Bonds as so adjusted shall equal \$237,495,000. If such adjustments are made, the purchase price paid by the successful bidder shall be adjusted such that the rate of interest and premium paid by the successful bidder to the City for each maturity at which such adjusted amount shall be sold will be exactly the same as shown on the successful bid.

Book Entry

The Bonds will be issued in book entry form only (with no distribution of Bonds to the ultimate purchasers) registered in the name of The Depository Company, New York, New York (DTC), or its nominee and immobilized in DTC's custody.
