To Whom It May Concern:

Lincoln Industrial Designated Territories

Lincoln Industrial designates a single sales and service company as our sole distributor for our LFC6000 product category in a designated marketing area. LFC6000 installation is complicated and needs special training to execute.

We evaluate all available lubrication equipment sales and service companies in a marketing area prior to selecting our distribution company.

We have chosen Anglin Equipment dba CJM Solutions LLC as our LFC6000 installation and service partner for Central Ohio. CJM shows the expertise and commitment to our product to earn this designation. Lincoln Industrial evaluates sole distributors on an annual basis to renew such designation.

Please call if you have any questions.

Sincerely,

**Chris Ernst**
