Subject Kerry Actuator
Hoover Dam Crest Gates

Dear Matt,

The following will cover costs to have a Kerry Actuator Technician travel to Hoover Dam site to inspect and test Kerry Actuators on crest gates. Kerry Co Inc is the original manufacturer of those Kerry Actuators. Our technicians are the nearest factory authorized technical representatives in the area of Hoover Dam. We quote the following based on five days on site and three check valve blocks being changed.

40 hours at the site at \$180.00/Hr		\$7200.00
8 hours travel time to and from at \$72.00/Hr		\$576.00
Mileage, hotel , travel expenses		\$1246.00
Total for five days		\$9022.00
3-716.048/714.018 check valve assembly	\$2202.00 each	\$6606.00
6- 12SAE-SG sight glasses	\$36.00 each	\$216.00
3-55 Gallon Drums of fluid	\$720.00each	\$2160.00
1 Crane rental (5 days)		\$14,050.00
Grand Total		\$32,054.00

Generally one week notice prior the inspection day would be appreciated .
Best Regards, Bob Topnick VP Sales and Technical
