Objective

To become a valuable member of committees serving the City of Columbus and my community, in which my leadership, communication, and organizational skills may be used to their fullest potential.

Volunteer Work

- 7/2015-Present** ***Vice President, Pets Without Parents***
- 7/2015-Present** ***Alumni Chair, Clintonville Go Public***
- 2/2015-Present** ***Committee Member, Connect Columbus***
- 2/2015-Present** ***Board Member, SNAP of Central Ohio***
- 2014-Present** ***Councilmember, Site Based Council, Dominion Middle School***
- 2014-Present** ***Treasurer, Experience Clintonville***
- 2014-Present** ***Board Member, Mobile Food Vending Advisory Board***
- 2012-Present** ***Chairperson, Zoning & Variance Committee, Clintonville Area Commission***
- 2014-2015** ***Vice Chairperson, Clintonville Area Commission***
Perform duties of the Chairperson in his absence, serve as liaison with the Clintonville Beechwood Resource Center and all other agencies in Clintonville that provide social services.
- 2013-2014** ***Secretary, Clintonville Area Commission***
Maintained minutes, sent written notices regarding zoning related actions of the Commission to all appropriate parties, performed the duties of the Chairperson in the absence of the Chairperson and Vice Chairperson.
- 2012-2015** ***District 5 Commissioner, Clintonville Area Commission***
Represented the residents of District 5 in Clintonville in all matters before the Clintonville Area Commission, attended meetings, provided input and information as needed regarding any and all community matters.

Employment

- 2005-2010** ***Internet Sales Manager, Jack Maxton Chevrolet***
Handled inbound and outbound calls with potential customers, responded to inquiries made online, scheduled appointments for salesmen, followed up with customers to ensure satisfaction, generated new business, trained and supervised employees, promoted to management within six months of hire date.
- 2003-2005** ***Risk Management Analyst, JP Morgan Chase***
Analyzed customer transaction patterns to detect fraudulent activity, reviewed new accounts for possible fraud, made recommendations to management with regard to fraud trends, handled inbound and outbound calls to verify information with customers, contributed to the profitability of the bank by minimizing fraud.
