5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The work includes furnishing Construction Administration / Construction Inspection services for the 2014 – 2016 fiscal years for Division of Sewerage and Drainage and Division of Water projects. The work includes full-time or part-time Construction Administration Services including resident project inspection for any specific project identified. In general the consultant will respond to the contractor's requests for information, respond to inquiries regarding the interpretation of the contract documents, review contractors claims for additional services and costs, review quality or materials/equipment substitutions and provide recommendations to the City, coordinate project submittals, schedule and chair progress meetings, and other services as directed by the City.

This agreement will establish funding for the following Division of Water projects:

- General Construction – (690549-1) (Constr: 690236-0)
- Cooke Road Area Water Line Improvements (690549-4) (Constr; 690236-43)
- Large Diameter Valve Repl. (690549-5) (Constr: 690521-3)

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

This is a three-year agreement from 2014 through 2016. The specific duration of services on each project are negotiated between the contracting agency and the consultant.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The goal of these projects is to replace water lines that have a high break frequency. The new lines constructed under these projects should eliminate the pattern of frequent water line breaks and will decrease burden on water maintenance operations. The Neighborhood Liaison(s) will be contacted and informed of these projects during the construction phase. Further community outreach may result through the Neighborhood Liaison Program.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

\$670,000.00 – original agreement

*Future modifications are anticipated, but unknown at this time.
