Justin

It was great speaking with you today and we appreciate the opportunity to serve the City of Columbus. Below is a brief announcement of our recent acquisition.

John Deere Golf and Sports Turf equipment retailer Greenville Turf & Tractor announced today the acquisition of Indiana-headquartered Reynolds Golf & Sport Turf, creating the world's largest John Deere golf and sports turf distributor dedicated entirely to golf and turf professionals.

The companies, which prior to the acquisition operated alongside each other in Kentucky, will now serve golf and sports turf professionals across 12 states, including Alabama, Arkansas, Georgia, Indiana, Kentucky, Mississippi, North Carolina, Ohio, South Carolina, Tennessee, Virginia and West Virginia.

Given this recent transaction we would like to continue with the agreed upon terms once offered to Reynolds Farm Equipment. Please let me know if we can provide you with any additional information.

Regards Bob

I am sorry my e-mail address bounced back, unfortunately it was spelled incorrectly. Please let me know when would be a good time to reach out to you? Greenville Turf and Tractor would very much like you to convey your existing contract with Reynolds Farm equipment to our name. It would be our pleasure to serve you. Regards Bob
