Ordinance Number: TBD

Columbus City Code Titles Being Amended/Created/Repealed:

- Chapter 225 – Department of Technology, Paragraph 225.03
-

Overall Purpose:

This change to Columbus City Code Chapter 225 (Department of Technology) reestablishes the Information Services Division.

Need for these Code Changes:

For Chapter 225 – Department of Technology:

- Ordinance 1659-2025 removed the Information Services Division from within the Department of Technology.
 - It is necessary to reestablish the Information Services Division.
-

Impact of Not Adopting these Code Changes:

- The Department of Technology will not be able to use portions of the appropriated budget.
-

Budget Implications:

There are no immediate capital or operating budget impacts from these code changes.

Community Engagement Process:

This code change has internal implications for the department only. Broader community engagement was not required given the administrative nature of the revision.

Effective Date:

The code changes will take effect upon passage of the ordinance.
