To whom it may concern:

This letter is provided as a notification.

Internet Content Management, Inc. acquired the Technology Negotiation & Acquisition Practice from Blue Orbit Group, LLC on January 1, 2014. As such, Internet Content Management, Inc. acquired rights to Blue Orbit Group, LLC's technology product supplier contracts – including the existing contractual obligations between Blue Orbit Group, LLC and the City of Columbus.

Internet Content Management, Inc. will continue to supply Websense technology to the City of Columbus and honor all executed agreements and discounting levels currently in place – including File Number 0896-2013.

Internet Content Management, Inc. was formed in 2001 and has a distinguished history of providing clients throughout North America with information technology security solutions. Internet Content Management is a Websense Enterprise Alliance Partner, Websense Certified Triton Integrator, and Websense Authorized Training Center. The combination of our organizations strengthens our ability to provide our clients with the best pricing and services available.

Mark Mahovlich joins Internet Content Management, Inc. as Director of Professional Services & Support, Northeast Sales, and will continue to manage the relationship between Internet Content Management, Inc. and the City of Columbus.

If you should have any questions, please contact either Allan Black or Mark Mahovlich.

Sincerely,
Allan Black
