The Purchasing Office opened formal bids on March 19, 2015 for the purchase of Underground SF6 Switch and Transfer Package for the Division of Power. Five (5) bids were received.

After a review of the bid, the Division of Power recommends the award be made to PEPCO, the lowest responsive and responsible and best bidder for Items 1 and 2 for an award amount of \$224,350.00.

The Loeb Electric Company withdrew their bid due to a pricing error on Item #2.

Our Department will be processing emergency legislation using funding codes OCA 606798, Object Level $\frac{3}{4}$ 6651.

Thank you for your cooperation in this matter. Should you have any questions please contact Sue McQuirt at 645-7079.
