(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)

(Why no other individual or business is capable of supplying the needed item)

- sole manufacturer/distributor
- sole company offering this unique service (manufacturer's warranty/product support)
- other System upgrade to existing proprietary systems

-
2. Describe efforts to determine that the company was a sole source:

This system was originally purchased in 2006 with Department of Homeland Security funds, authorized by an intergovernmental agreement (ORD 0029-2006) with Franklin County Office of Homeland Security and Justice Programs. Now that the current LE-3000 system is no longer in production, the Division of Police has a need to purchase six (6) LE-5000 system upgrades, beginning with two (2) system upgrades in 2008. It would be non-effective to bid this proprietary system upgrade.

-

N/A

-
4. Indicate how the price or fee structure was determined:
