Summary

Marker, Inc. is a full-service construction company with offices in Columbus and Bellefontaine, Ohio. We believe the building process can and should be a fun and exciting realization of our client's vision. Described by various clients as "refreshing" and "a breath of fresh air," Marker brings to every project enthusiasm, respect, integrity, trust, and a strong work ethic. Since the company's founding in 1956, we have been committed to building client relationships by putting the client and their needs first, along with safety, during the entire construction process. We focus on the importance of seeing through our clients' eyes. By living this philosophy, Marker has built a strong and loyal client base, earning us an excellent reputation and the leadership skills and professional depth to take on any size and scope project.
