

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No.</u>	<u>Exp. Date</u>	<u>City/State</u>	<u>Status</u>
American Structurepoint	35-1127317	11/23/11	Columbus OH	MAJ
Moody Nolan	31-1256984	06/30/12	Columbus OH	MBE
RW Armstrong	35-1062227	07/27/13	Columbus OH	MAJ

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

RFSQ – submitted March 30, 2007

RFP – Three firms selected to submit on June 24, 2011

3. **List the ranking and order of all bidders.**

AMERICAN STRUCTUREPOINT

RW ARMSTRONG

MOODY-NOLAN

4. **Complete address, contact name and phone number for the successful bidder only.**

Charles P. Unterreiner, P.E.

American Structurepoint, Inc.

2550 Corporate Exchange Dr., Suite 300

Columbus OH 43231

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

Work includes the review of field conditions and existing documents. Conduct public meetings to solicit information from area residents about locations of stormwater-related problems. Perform field surveys to locate existing site, topographic, utility and hydraulic features. Perform H&H analyses; specifically determining the effect of the downstream Railroad culvert restriction and the grade of the stream bed. Propose improvements as necessary based on the results of the H&H analysis and prepare construction documents for authorized improvements. Prepare land acquisition descriptions and exhibits.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

There is only one phase planned for the project which shall be for a period of 18 months.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This project is being undertaken to mitigate structural stormwater flooding that is occurring during large storm events.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

\$176,997.52

9. Sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR):

<u>Name</u>	<u>C.C. No.</u>	<u>Exp. Date</u>	<u>Status</u>
CDM	04-2473650	04/23/12	MAJ
CEC	31-0716498	05/31/13	AS1

10. Scope of work for each subcontractor and their estimate of dollar value to be paid.

CDM will review information and conduct hydrologic modeling - \$32,860.00

CEC will perform survey and prepare easements - \$30,549.17

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
