CITY OF COLUMBUS - BID WAIVER INFORMATION FORM
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF
COLUMBUS CITY CODES CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)

1.   **In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)**

☐   An unanticipated breakdown created an unplanned, emergency need.

☐   The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.

☐   Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.

☐   Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.

☐   A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.

☒   Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: The City attempted to purchase Oracle WAM maintenance and support through solicitation SA004337. The lowest and best offer in response to the solicitation, received April 12, 2012, costs more than purchasing annual maintenance and support directly from Oracle.

2. Informal bid procedure used: ☐Yes   ☒No   **Explain:**

SA004337 formal bid items 33-36

3. Informal bids received and prices for each:

DLT Solutions $66,490.80
Oracle America, Inc. $65,493.42

4. If lowest bid was not accepted, Explain:

Oracle did not bid under SA004337, however DoT solicited and received Oracle's quote which was lower than the only vendor that bid under the SA, therefore DoT is going with Oracle's quote.
