

Part Number	Part Name and Description	Extended Ohio Price
ROVVER Products		
O-031-1111-06	<p>ROVVER 125 Enhanced Portable / Outpost System To include: Rovver 125 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built in inclinometer and LED pressure sensors, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, set of 4 medium grease wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, RC 90 40:1 Zoom camera with LED lighting (LED's carry a lifetime manufacturers warranty) Pelican camera shipping case, RA 200 fully automatic cable reel and mounting bracket, complete with 200 meters of kevlar cable with heavy duty connectors (connectors carry a lifetime manufacturers warranty), Portable hand held controller with a 4 meter extension cable, System Control Unit (housed in an airline approved shipping case), Keyboard for text generation, Complete operations manual, 1-2 days of factory certified training, 1 yr manufacturers warranty</p>	\$ 55,000.00
O-031-1111-05	<p>ROVVER 125 Enhanced Truck Mount System To include: Rovver 125 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built inclinometer and LED pressure sensors, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, set of 4 medium grease wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, RC 90 40:1 Zoom camera with LED lighting (LED's carry a lifetime manufacturers warranty) Pelican camera shipping case, RA 200 fully automatic cable reel and mounting bracket, complete with 200 meters of kevlar cable with heavy duty connectors (connectors carry a lifetime manufacturers warranty), Portable hand held controller with a 4 meter extension cable, Desktop mounted controller, A/B switch unit and cabling (for toggling between desk top and handheld control units), Rack mountable Systems control unit, Keyboard for text generation, Complete operations manual, 1-2 days of factory certified training, 1 yr manufacturers warranty</p>	\$ 62,000.00
O-046-1111-01	<p>ROVVER 225 Enhanced Portable / Outpost System To include: - Rovver 225 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built in inclinometer, 51 2hz sonde transmitter, LED pressure sensors and a built in remotely controlled camera elevator complete with rear view camera, Two sets of fixed mounted LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large pneumatic wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, RC 8040:1 Zoom camera with LED lighting (LED's carry a lifetime manufacturers warranty) Pelican camera shipping case, RA 200 fully automatic cable reel and mounting bracket, complete with 200 meters of kevlar cable with heavy duty connectors (connectors carry a lifetime manufacturers warranty), Portable hand held controller with a 4 meter extension cable, System Control Unit (housed in an airline approved shipping case), Keyboard for text generation, Complete operations manual, 1-2 days of factory certified training, 1 yr manufacturers warranty</p>	\$ 68,000.00
O-046-1111-05	<p>ROVVER 225 Enhanced Truck Mount System To include: Rovver 225 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built inclinometer, 51 2hz sonde transmitter, LED pressure sensors and a built in remotely controlled camera elevator complete with rear view camera, Two sets of fixed mounted LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large pneumatic wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, RC 8040:1 Zoom camera with LED lighting (LED's carry a lifetime manufacturers warranty) Pelican camera shipping case, RA 200 fully automatic cable reel and mounting bracket, complete with 200 meters of kevlar cable with heavy duty connectors (connectors carry a lifetime manufacturers warranty), Portable hand held controller with a 4 meter extension cable, Desktop mounted controller, A/B switch unit and cabling (for toggling between desk top and handheld control units), Rack mountable Systems control unit, Keyboard for text generation, Complete operations manual, 1-2 days of factory certified training, 1 yr manufacturers warranty</p>	\$ 73,000.00
O-008-0902-00	<p>ROVVER 100 Steerable Crawler To include: Rovver 100 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built inclinometer and LED pressure sensors, with heavy duty connectors (connectors carry a lifetime manufacturers warranty), a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, 1 yr manufacturers warranty</p>	\$ 10,500.00

O-026-0902-00	ROVVER 125 Steerable Crawler To include: Rovver 125 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built inclinometer and LED pressure sensors, with heavy duty connectors (connectors carry a lifetime manufacturers warranty), a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package (t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with remove tool, etc) Seal and Connector Grease, Wheel bolt set, 1 yr manufacturers warranty	\$ 15,000.00
O-040-0952-01	ROVVER 225 Steerable Crawler To include: Rovver 225 Aluminum/Stainless Steel 6-wheel overlapping wheel design, fully steerable crawler with built inclinometer, 512hz sonde transmitter, LED pressure sensors and a built in remotely controlled camera elevator complete with rear view camera, Two sets of fixed mounted LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large pneumatic wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package (t-bar, full set of T-Handled hex head wrenches, as well as a spare front lens and seal with remove tool, etc) Seal and Connector Grease, Wheel bolt set, 1 yr manufacturers warranty	\$ 27,000.00
O-016-0931-00	Rack Mount Control Unit for installation in Trucks and Vehicles I/O in rear of control Unit for clean installation, To include desktop mounted controller and cabling, text generator. (E-100-0130-03) card, keyboard for on screen text generation.	\$ 16,500.00
O-016-0901-00	Portable Control Unit w/ Color Monitor To include: Mounted in an airline approved shipping case, I/O ports in front with fold down cover that houses provided keyboard for on screen text generation. Portable pendant controller and cabling, text generator (E-100-0130-03) card, 9 inch color monitor housed within case	\$ 16,500.00
O-016-0911-00	Portable Control Unit To include: Mounted in an airline approved shipping case, I/O ports in front with fold down cover that houses provided keyboard for on screen text generation. Portable pendant controller and cabling, text generator (E-100-0130-03) card.	\$ 14,000.00
O-015-0950-00	Axial/Forward View Color Video Camera-- With Enhanced electronics to provide greater pixel clarity and new built in circuitry to reduce risk of electrical spike. Color remote focus camera with upgraded LED lighting (LED's carry a lifetime manufacturers warranty), allows for shortest possible configuration of ROVVER crawlers. Wide angle lens surveys pipe sidewall.	\$ 7,475.00
O-064-0950-00	RC90 Zooming Pan/Tilt Color Camera (NTSC) Rovver RC90 Color par tilt 40:1 Zoom .Stainless Steel side arms, LED pressure indicator, LED light ring (LED's carry a lifetime manufacturers warranty) with (Optional) Laser Measurement capabilities.	\$ 22,605.25
O-049-0930-00	Rovver Handheld pendant controller To include: Zoom Support and (Optional) Laser Measurement capabilities and auto and manual focus and iris controls	\$ 1,615.00
O-ZOOM_UPG	Zoom Upgrade to Standard System To include: RC 90 zoom camera (as described above) and handheld pendant (as described above).	\$ 24,087.50
O-044-0960-00	Manual Cable Reel RM200 Cable reel with on screen digital distance counter 200 Meter capacity. Requires cable.	\$ 5,520.00
O-044-0900-00	Manual Cable Reel with Motorized Assist RS200 Cable reel with on screen digital distance counter and motorized rewind assist. 200 meter capacity, requires cable.	\$ 7,430.00
O-036-0900-04	RC90 motorized and remote automatic camera rover without cable (requires cable) operates in stop, manual (free wheel) and auto mode with inverse controls (to allow crawler to operate in a inverted scenario). Manual torque control (for increased pulling power when needed) Emergency stop button. Separate digital footage counter (to allow reset for distance measurement in the pipe without resetting overall distance counter).	\$ 9,500.00
O-200-1160-11	180 Meter Cable Assembly complete with Heavy Duty Connector (connectors carry a lifetime manufacturers warranty)	\$ 4,592.66
O-200-1200-11	200 Meter Cable Assembly complete with Heavy Duty Connector (connectors carry a lifetime manufacturers warranty)	\$ 5,500.00
O-048-0941-00	ROVVER 125 Rear View Camera and LED Auxiliary Lights combination with no wire/ direction connection (appropriate top plate required)	\$ 2,470.00
O-000-0035-00	Top Manhole Cable Roller Aluminum frame and rubber wheel with bearings protects cable from manhole top cover edge and reduces friction to improve crawler performance.	\$ 327.07
O-000-0036-00	Tyger tail for manhole bottom cable protection 2 inch diameter rubber sleeve to protect cable from manhole bottom pipe entry	\$ 66.62
O-026-0920-00	Rovver 125 manual Camera Raise Kit-All Aluminum CNC cut riser kit, With infinite adjustment between 0-5" above crawler body.	\$ 3,680.00
O-026-0054-00	Weight Plate Includes 1.8kg (4 lbs.) stainless steel plate that bolts to bottom of crawler to increase traction	\$ 246.25
O-035-0201-00	Flexible Cable Guide Pulley for Manhole-bottom Best way to manage cable and have least amount of friction on cable and crawler. Set of machined wheels that allow cable to glide around sharp edges and lower pipe access.	\$ 637.00
O-100-0106-00	512 kHz Location Transmitter Upgrade. Sonde transmitter is integral to crawler body. Replace top cover with transmitter window and 512 kHz transmitter (Installation labor included, shipping is not).	\$ 1,644.00
ROVVER X Products		

E-RX-sys-portable	ROVVER X Portable Package includes: RCX90 Camera (High resolution CCD color zoom camera - 10x optical 12x digital, Auto Shutter, auto/manual focus, built in LED lighting, 2 x 135 degree tilt and endless rotation, pressure sensor and two built in Laser diodes for measuring width of cracks.) ROVVER X 130 Crawler (steerable with 2 High Performance Motors and 6 wheel drive, anodized aluminum/stainless steel chassis with pressure indicator, inclination and tilt sensors, Location transmitter, backeye rear viewing video camera) Ability to transfer data to included desktop Vision Report software to generate reports and save data. Set of 6 small rubber wheels, set of 4 medium rubber wheels, Set of 4 Large rubber wheels, Set of 4 Medium Grease Wheels, and set of 4 Wheel Spacers. VC200 Vision Control (operates the Crawler, Cable Reel and Camera. Daylight viewable Touch Screen display, MPEG4 video encoding and storage on flash drive and USB Stick, remote internet based diagnostics and firmware upgrade.) RAX300 Motorized Cable Reel (automatic, meter-counter, splash-proof, 1000' Orange Transmission Cable) Power supply 115 or 230 volts. Desk Mount Pendant holder.	\$ 64,000.00
E-RX-sys-Truck-Basic	ROVVER X Basic Truck Package includes: RCX90 Camera (High resolution CCD color zoom camera - 10x optical 12x digital, Auto Shutter, auto/manual focus, built in LED lighting, 2 x 135 degree tilt and endless rotation, pressure sensor and two built in Laser diodes for measuring width of cracks.) ROVVER X 130 Crawler (steerable with 2 High Performance Motors and 6 wheel drive, anodized aluminum/stainless steel chassis with pressure indicator, inclination and tilt sensors, Location transmitter, backeye rear viewing video camera) Set of 6 small rubber wheels, set of 4 medium rubber wheels, Set of 4 Large rubber wheels, Set of 4 Medium Grease Wheels, and set of 4 Wheel Spacers. VC200 Vision Control (operates the Crawler, Cable Reel and Camera. Daylight viewable 800x600 Touch Screen display, MPEG4 video encoding and storage on flash drive and USB Stick, remote internet based diagnostics and firmware upgrade.) Ability to transfer data to included desktop Vision Report software to generate reports and save data. RAX300 Motorized Cable Reel (automatic, meter-counter, splash-proof, 1000' Orange Transmission Cable) Power supply 115 or 230 volts. Desk Mount Pendant holder. Wireless remote controller. 25 foot Extension cable from VC200 to RAX300 including emergency power switch.	\$ 69,000.00
E-RX-sys-Truck-Pro	ROVVER X PRO Truck Package includes: RCX90 Camera (High resolution CCD color zoom camera - 10x optical 12x digital, Auto Shutter, auto/manual focus, built in LED lighting, 2 x 135 degree tilt and endless rotation, pressure sensor and two built in Laser diodes for measuring width of cracks.) ROVVER X 130 Crawler (steerable with 2 High Performance Motors and 6 wheel drive, anodized aluminum/stainless steel chassis with pressure indicator, inclination and tilt sensors, Location transmitter, backeye rear viewing video camera) Set of 6 small rubber wheels, set of 4 medium rubber wheels, Set of 4 Large rubber wheels, Set of 4 Medium Grease Wheels, and set of 4 Wheel Spacers. VC200 Vision Control (operates the Crawler, Cable Reel and Camera. Daylight viewable 800x600 Touch Screen display, MPEG4 video encoding and storage on flash drive and USB Stick, remote internet based diagnostics and firmware upgrade.) Ability to transfer data to included desktop Vision Report software to generate reports and save data. Wireless remote controller. VC200 PRO docking and desktop control station (all controls and keyboard in a desktop style ergonomic build and additional input output connections) RAX300 Motorized Cable Reel (automatic, meter-counter, splash-proof, 1000' Orange Transmission Cable) Power supply 115 or 230 volts. 25 foot Extension cable from VC200 to RAX300 including emergency power switch.	\$ 78,000.00
E-584-0900-00	Remote Lift Accessory - Camera Elevator Kit for RX130 - for pipes with 12" diameter and larger, raises the RCX90 on the RX130 Crawler	\$ 12,000.00
E-569-0900-00	ROVVER 130X Large-Diameter Carriage RCR1000 - Extends the use of the ROVVER 130X crawler for pipes from 24" diameter and larger.	\$ 10,000.00
E-RX-clutch	ROVVER 130X Freewheel Clutch Option	\$ 2,000.00
E-RX-remote	Wireless Remote for controlling camera, crawler and reel.	\$ 1,750.00
E-RX-backeye	ROVVER 130X Crawler Rear-View Camera Option	\$ 2,500.00
E-RX-auxlight	ROVVER 130X Crawler Auxiliary LED lighting for large diameter pipes	\$ 3,000.00
E-RX-Aux-RV	ROVVER 130X Crawler Auxiliary LED lighting with rear view camera for large diameter pipes	\$ 5,500.00
E-RX-512-Sonde	ROVVER 130X Sonde - 512 Hz	\$ 2,500.00
E-000-0057-VC200	WinCan option - provides seamless transfer of pendant data to WinCan office license.	\$ 2,500.00
E-RX-VC200-DMHolder	VC200 Pendant Desk Mount Holder	\$ 800.00
E-RX-VC200-DTDock-CTRL	VC200 PRO desk top pendant dock and controller	\$ 9,000.00
SuperVision Products		

O-050-0001-140	<p>SVR140 Enhanced system To include: Supervision 140 all stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, 512hz sonde transmitter audible pressure sensor alarm, audible rollover alarm, auto joint scan and 3 position preset lateral viewing capabilities,built in remotely controlled camera elevator(6"and above) complete with rear view camera, set of LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels,set of 4 large rubber wheels, a set of 4 medium grease wheels, wheel extenders,Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, One complete retermination kit . Pressurization kit- regulator and 2 CO2 canisters, SV 100 stainless steel housed 40:1 Zoom camera with 360 degree rotation, laser measurement feature,LED light ring (LED's carry a lifetime manufacturers warranty), Pelican camera carrying case, SV 350 fully automatic cable reel, 1150 ft of Kevlar cable with lifetime manufacturers warranted stainless steel connector, extendable, articulating arm to allow for proper cable alignment, dual distance counters, emergency stop button, Rear pendant controller, Desktop dual joystick controller with LCD viewing monitor built in, manual and auto focus, shutter and iris controls, torque and speed controls for cable reel (via the desktop controller), clutch control for use with SV 250 crawler,Rack mountable or portable System Control unit with complete systems operating and service diagnostics via built in LCD screen, steel steel insertion and extraction tool, pipe entrance cable protection pulley system, complete operations and maintenance manual and 1-2 days of factory certified training, 2 yr manufacturers warranty, System able to operate all three SV crawlers as well as sidescan technology (digi-sewer) and lateral launch upgradeable.</p>	<p>\$ 97,000.00</p>
O-050-0001-250	<p>SVR250 Enhanced system To include Supervision 250 aluminum/ stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, 512hz sonde transmitter, audible pressure sensor alarm, audible rollover alarm, auto joint scan and 3 position preset lateral viewing capabilities,built in remotely controlled camera elevator(9" and above) complete with rear view camera, set of LED auxiliary lights,electrical clutch, Set of 6 small rubber wheels, set of 4 large rubber wheels, a set of 4 large pneumatic wheels, wheel extenders,Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, One complete retermination kit . Pressurization kit- regulator and 2 CO2 canisters, SV 100 stainless steel housed 40:1 Zoom camera with 360 degree rotation, laser measurement feature,LED light ring (LED's carry a lifetime manufacturers warranty), Pelican camera carrying case, SV 350 fully automatic cable reel, 1150 ft of Kevlar cable with lifetime manufacturers warranted stainless steel connector, extendable, articulating arm to allow for proper cable alignment, dual distance counters, emergency stop button, Rear pendant controller, Desktop dual joystick controller with LCD viewing monitor built in, manual and auto focus, shutter and iris controls, torque and speed controls for cable reel (via the desktop controller), clutch control for use with SV 250 crawler,Cruise control, Rack mountable or portable System Control unit with complete systems operating and service diagnostics via built in LCD screen, steel steel insertion and extraction tool, pipe entrance cable protection pulley system, complete operations and maintenance manual and 1-2 days of factory certified training, 2 yr manufacturers warranty, System able to operate all three SV crawlers as well as sidescan technology (digi-sewer) and lateral launch upgradeable.</p>	<p>\$ 102,000.00</p>
O-050-0001-251	<p>SVR140 Enhanced LONG RANGE system To include: Supervision 140 all stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, 512hz sonde transmitter, audible pressure sensor alarm, audible rollover alarm, auto joint scan and 3 position preset lateral viewing capabilities,built in remotely controlled camera elevator(6"and above) complete with rear view camera, set of LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels,set of 4 large rubber wheels, a set of 4 medium grease wheels, wheel extenders,Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, One complete retermination kit . Pressurization kit- regulator and 2 CO2 canisters, SVC 100 stainless steel housed 40:1 Zoom camera with 360 degree rotation, laser measurement feature,LED light ring (LED's carry a lifetime manufacturers warranty), Pelican camera carrying case, SV 500 fully automatic cable reel, 1640 ft of Kevlar cable with lifetime manufacturers warranted stainless steel connector, extendable, articulating arm to allow for proper cable alignment, dual distance counters, emergency stop button, Rear pendant controller, Desktop dual joystick controller with LCD viewing monitor built in, manual and auto focus, shutter and iris controls, torque and speed controls for cable reel (via the desktop controller), clutch control for use with SV 250 crawler, Cruise control, Rack mountable or Portable System Control unit with complete systems operating and service diagnostics via built in LCD screen, stainless steel insertion and extraction tool, pipe entrance cable protection pulley system, complete operations and maintenance manual and 1-2 days of factory certified training, 2 yr manufacturers warranty, System able to operate all three SV crawlers as well as sidescan technology (digi-sewer) lateral launch and deep well upgradeable.</p>	<p>\$ 105,000.00</p>

O-050-0000-SAT_PT	<p>SUPERVISION SAT Lateral Launch System with Pan/Tilt Launch Camera (add on to existing SuperVision system) To include: SV SAT crawler all stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, audible pressure sensor alarm, audible rollover alarm. SVSAT 150 (500 plus 100) fully automatic cable reel and cable, PT 70 color camera with Pan, tilt, self-leveling and 360 degree rotation ,LED lighting and built in to the camera 512 and 33hz frequency sonde, Pelican camera case with camera removal tool, Color insertion camera, and color back up camera, stainless steel field replacable canbus controlled delivery system, 3 pvc field changeable guide tubes for larger pipe launching capabilities, set of 8 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, a set of 4 medium grease wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, Pressurization kit- regulator and 2 CO2 canisters, Desktop dual joystick controller with LCD viewing monitor built in, manual and auto focus, shutter and iris controls, torque and speed controls for cable reel (via the desktop controller), Cruise Control for both crawler and Lateral launch camera, Rack mountable or Portable System Control unit with complete systems operating and service diagnostics via built in LCD screen, stainless steel insertion and extraction tool, pipe entrance cable protection dual pulley system, complete operations and maintenance manual and 1-2 days of factory certified training, 1yr manufacturers warranty</p>	\$ 90,000.00
O-050-SV SAT	<p>SUPERVISION (Stand alone)SAT Lateral Launch System with Pan/Tilt Launch camera To include: SV SAT crawler all stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, audible pressure sensor alarm, audible rollover alarm. SVSAT 150 (500 plus 100) fully automatic cable reel and cable, PT 70 color camera with Pan, tilt, self-leveling and 360 degree rotation ,LED lighting and built in to the camera 512 and 33hz frequency sonde, Pelican camera case with camera removal tool, Color insertion camera and color back up camera, stainless steel field replacable canbus controlled delivery system, 3 pvc field changeable guide tubes for larger pipe launching capabilities, set of 8 small rubber wheels, set of 4 medium grease wheels, set of 4 large rubber wheels, a set of 4 medium grease wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(t-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, Pressurization kit- regulator and 2 CO2 canisters, Desktop dual joystick controller with LCD viewing monitor built in, manual and auto focus, shutter and iris controls, torque and speed controls for cable reel (via the desktop controller), Cruise Control for both crawler and Lateral launch camera, Rack mountable or Portable System Control unit with complete systems operating and service diagnostics via built in LCD screen, Stainless steel insertion and extraction tool, Pipe entrance cable protection dual pulley system, SV 350 fully automatic cable reel, 1150 ft of Kevlar cable with lifetime manufacturers warranted stainless steel connector, extendable, articulating arm to allow for proper cable alignment, dual distance counters, emergency stop button, Rear pendant controller, complete operations and maintenance manual and 1-2 days of factory certified training, 1yr manufacturers warranty</p>	\$ 140,000.00
O-503-0900-00	<p>SUPERVISION 95 Crawler-All stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, audible pressure sensor alarm, audible rollover alarm, Specially designed crawler carrying case ,set of LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, Complete tool package(t-bar, full set of T-Handled hex head wrenches), Seal and Connector Grease, Wheel bolt set, Side Scan Upgradable, Complete operations and maintenance manual. 1 yr manufacturers warranty.</p>	\$ 15,500.00
O-504-0900-00	<p>SUPERVISION 140 Crawler-All stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, 512hz sonde transmitter, audible pressure sensor alarm, audible rollover alarm, auto joint scan and 3 position preset lateral viewing capabilities, built in remotely controlled camera elevator(6" and above) complete with rear view camera, Specially designed crawler carrying case, Set of LED auxiliary lights, a set of 6 small rubber wheels, set of 4 medium rubber wheels, set of 4 large rubber wheels, Seal and Connector Grease, Wheel bolt set, Full set of T-Handled hex head wrenches, Side Scan Upgradable, Complete operations and maintenance manual. 1 yr manufacturers warranty.</p>	\$ 23,500.00

O-505-0900-00	SUPERVISION 250 Large Steerable Crawler- Aluminum/ stainless steel , Canbus software based (Canbus allows for complete on board diagnostics as well as remote diagnostics and infinite upgradeability) driven crawler, 6-wheel overlapping wheel design, fully steerable(both directional and proportional steering) crawler with built in inclinometer, 512hz sonde transmitter, audible pressure sensor alarm, audible rollover alarm, auto joint scan and 3 position preset lateral viewing capabilities, built in remotely controlled camera elevator(9' and above) complete with rear view camera, set of LED auxiliary lights, electrical clutch, Set of 6 small rubber wheels, set of 4 large rubber wheels, a set of 4 large pneumatic wheels, wheel extenders, Specially designed crawler carrying case, Complete tool package(1-bar, full set of T-Handled hex head wrenches, as well as a spare front and rear lens and seal with removal tool, etc) Seal and Connector Grease, Wheel bolt set, Side Scan Upgradeable, Complete operations and maintenance manual. 1 yr manufacturers warranty.	\$ 28,500.00
O-501-0950-00	SV075 Pan/Tilt Camera 440,000 pixels; 1 lux light-sensitivity; 460 HTVL resolution; focus; integrated LED light ring; 95 deg FOV; bidirectional 135-deg tilt and 360 degree rotation. Dual lasers for measurement capability.	\$ 22,000.00
O-538-0900-00	SUPERVISION Power Spot Super-bright SolarC lamp and batteries for dark conditions. Waterproof up to 10 bar. Manufactured from stainless steel and aluminum. Supplied with a clear window for spot lighting and frosted window for flood lighting.	\$ 1,462.50
DigiSewer		
O-999-0905-00	DigiSewer Camera for ROVVER -DigiSewer camera head(high resolution fish eye optic with 180 degree FOV, USB adaptor box to connect with other digital periphery such as a PC, WinCan software module for a digital displaying and allocation of the image data for WinCan Version 8. (Does not include computer or WinCan VB)	\$ 50,000.00
O-057-0900-00	DigiSewer Camera for SuperVision -DigiSewer camera head(high resolution fish eye optic with 180 degree FOV, USB adaptor box to connect with other digital periphery such as a PC, WinCan software module for a digital displaying and allocation of the image data for WinCan Version 8. (Does not include computer or WinCan VB)	\$ 50,000.00
O-057-0900-RX	DigiSewer Camera for ROVVER X -DigiSewer camera head(high resolution fish eye optic with 180 degree FOV, USB adaptor box to connect with other digital periphery such as a PC, WinCan software module for a digital displaying and allocation of the image data for WinCan Version 8. (Does not include computer or WinCan VB)	\$ 50,000.00
O-057-0900-LP-DS	Laser profiler for DS camera. 6 Laser ring to be attached to any DigiSewer camera to provide pipe profile information for WinCan laser profiler	\$ 20,000.00
ROVVER, ROVVER X, SuperVision Wheels		
	Qty 1 Standard Rubber Wheel for SV95 (6 per crawler)	\$ 125.00
O-080-0510-00	Qty 1 Small Wide Rubber Wheel for SV95 & R100 (4 per crawler)	\$ 107.25
O-080-0515-00	Qty 1 Medium Rubber Wheel for Rovver 100 and SV95 (4 per Crawler) - replaces E-008-0810-00 and E-008-0812-00	\$ 249.84
O-080-0520-00	Qty 1 Small Standard Rubber Wheel for Rovver 125, SV140, SVRSAT140 Crawlers (6 for R125, 6 for SV140 and 8 for SAT140)	\$ 249.84
O-080-0525-00	Qty 1 Large Rubber Wheel for Rovver 100 and SV95 (4 Per Crawler) - replaces E-008-0820-00 and E-008-0822-00	\$ 249.84
O-080-0535-00	Qty 1 Medium Rubber Wheel for Rovver 125, SV140, and SVRSAT140 (4 for R125, 4 for SV140, 6 for SVRSAT140) - replaces E-026-0810-00 and E-026-0812-00	\$ 249.84
O-080-0540-00	Qty 1 Small Rubber Wheel for Rovver 225 and SV250 (6 Per Crawler)	\$ 249.84
O-080-0545-00	Qty 1 Large Rubber Wheel for Rovver 125, SV140, and SVRSAT140 (4 for R125, 4 for SV140, 6 for SVRSAT140) - replaces E-026-0820-00 and E-026-0822-00	\$ 249.84
O-080-0550-00	Qty 1 Medium Rubber Wheel for Rovver 225 and SV250 (4 Per Crawler) - replaced E-040-0810-00 and E-040-0812-00	\$ 249.84
O-080-0555-00	Qty 1 XXL Wheel for Rovver 125, SV140, and SVRSAT140 (4 for R125, 4 for SV140, 6 for SVRSAT140) - replaces E-026-0808-00	\$ 292.50
O-080-0560-00	Qty 1 XXL Wheel for Rovver 225 and SVR250 (4 for each)	\$ 292.50
O-080-0565-00	Qty 1 Large Balloon Wheel for Rovver 225 and SVR250 (4 Per Crawler) - replaces E-040-0820-00 and E-040-0821-00	\$ 498.77
O-080-0600-00	Qty 1 Small Grease Wheel for Rovver 100 and SVR95 (4 per crawler) was P/N E-503-0842-00	\$ 330.00
O-080-0605-00	Qty 1 Medium Grease Wheel for Rovver 100 / SVR95 (4 per crawler) was P/N E-503-0843-00	\$ 275.00
O-080-0610-00	Qty 1 Small Grease Wheel for Rovver 125, SVR140, and SVRSAT140 (4 for R125, 4 for SVR140, 6 for SVRSAT140) - replaces E-026-0803-00 and E-026-0824-00	\$ 281.07

O-080-0625-00	Qty 1 Large Grease Wheel for SVR95 (4 per crawler)	\$	484.80
O-080-0630-00	Qty 1 Medium Grease Wheel for Rover 125, SV140 and SVRSAT140 (4 for R125, 4 for SV140, 6 for SVRSAT140) - replaces E-026-0804-00 and E-026-0806-00	\$	281.07
O-080-0635-00	Qty 1 Large Grease Wheel for Rover 125, SV140, and SVRSAT140 (4 for R125, 4 for SV140, 6 for SVRSAT140) - replaces E-026-0807-00 and E-026-0823-00	\$	256.25
O-503-0061-00	SV 95 Small Grease Wheel Tread Only	\$	131.00
O-503-0852-00	SV Large Grease Wheel for FW95 (Small Crawler)	\$	275.00
O-505-0830-00	SV Set of (4) Med 135 Grease Wheels for FW250 (Large Crawler)	\$	2,350.00
QuickView Version 3.5			
O-5100-9013	Quickview Basic 18-System includes Camera head with HID lighting, 432:1 color zoom camera and basic object measurement, joystick control box, 40' extreme armored cable, battery pack with charger, light diffuser, wide angle lens and pressurization kit. 18' aluminum telescopic pole.	\$	8,500.00
O-5100-9010	Quickview Professional 16 Package System includes Camera head with HID Lighting, 432:1 color zoom camera, and basic object measurement. Joystick control box, 40' Extreme Armored Cable, Battery Pack with Charger, and Light Diffuser, Wide angle lens and pressurization kit, Heavy Duty custom carrying and storage case. 16' Carbon Fiber Pole	\$	10,000.00
O-5100-9011	QuickView Professional 24 Package System includes Camera head with HID Lighting, 432:1 color zoom camera, and basic object measurement. Joystick control box, 40' Extreme Armored Cable, Battery Pack with Charger, and Light Diffuser, Wide angle lens and pressurization kit, Heavy Duty custom carrying and storage case. 24' Carbon Fiber Pole	\$	10,000.00
O-5100-9012	QuickView Professional 30 Package System includes Camera head with HID Lighting, 432:1 color zoom camera, and basic object measurement. Joystick control box, 40' Extreme Armored Cable, Battery Pack with Charger, and Light Diffuser, Wide angle lens and pressurization kit, Heavy Duty custom carrying and storage case. 30' Carbon Fiber Pole	\$	10,485.00
O-VID-0002-01	Sony GVHD 700 Professional Package (GVHD 700 viewer/recorder, 1 GB memory stick, 5 hour battery, bnc-rca cable, mini dv tape and Sony USB memory stick reader and custom-cut foam carrying and storage case.	\$	2,500.00
O-5100-3600	Carbon Fiber 6' Extension Clamp - Carbon Fiber extension fits all carbon-fiber telescoping poles, adds another 6' to inspection depth.	\$	625.00
O-5100-3618	Fiberglass 6-18' Extension Clamp - Fiberglass extension fits all CF telescoping poles, adds another 6-18' to inspection depth	\$	825.00
O-5100-4006	QuickView drop line attachment - Carbon fiber pole, neoprene foot, and compression spring (with standoff mount, brass bushing, spring support and spring support clamp).	\$	660.00
O-5100-MCHIP-MP	Manhole Depth and Pipe Diameter Measurement - Firmware that enables measurement of manhole depth to 25'; manhole diameter to 3'; and pipe diameter measurement from 4" to 12". Standard distance measurement remains enabled.	\$	580.00
O-33775	QV Heavy Duty Shipping & Storage Case	\$	275.00
O-5100-WIRELESS	QuickView Wireless Upgrade - Transmitter installs in rear of operator vest, and receiver connects to remote monitor. For new QuickViews, this accessory must be ordered with the new system. For existing QuickViews, operator vest must be returned for factor	\$	1,400.00
O-5100-CIG	20 ft 12Vdc Cigarette Lighter Power Cord	\$	108.06
O-5100-3003	18 Foot Aluminum Telescoping Pole Extends from 6 ft to 18 ft, comes with QV camera head attachment hardware and cable protector.	\$	308.75
O-4400-1042	QuickView wide angle lens adaptor Wide and lens adaptor for manhole inspection with a QuickView. Field of view is 90 degrees	\$	1,200.00
O-5100-VEST	QV VEST W/Viewer Pouch	\$	350.00
O-5100-Diffuser	QV HID Lamp Window Diffuser	\$	75.00
O-5100-3016-HD	QuickView 16' Carbon Fiber Pole	\$	1,900.00
O-5100-3024-HD	QuickView 24' Carbon Fiber Pole	\$	2,950.00
O-5100-3030-HD	QuickView 30' Carbon Fiber Pole	\$	850.00
O-5100-5008	50ft Armored Cable	\$	
QuickView Haloptic			
O-QV_Haloptic	QuickView Haloptic System - Haloptic camera / light head with color Zoom camera module, 24' telescoping carbon fiber pole with spring loaded standoff & centering device, 6 hour batter with charger, 40' control and video transmission cable, Vest Mounted portable joystick controlled Control Unit, Sattley Vest with batter and controller storage, Dual Wireless 3.6" LCD monitors (Pole Mounted) with video and still image recording, 4GB Micro SD card and computer adapter, and storm shipping and storage case	\$	18,000.00
O-QVH-58091	QV Haloptic Rear View Camera - auxiliary wide angle rear camera views manhole and tank walls	\$	1,500.00

O-QVH-58093-6	QV Haloptic Light Engine - Single HiD bulb and ballast mounted within calibrated socket for lamp replacement without the need for further calibration.	
O-QV DualMonitors	Dual Viewer/Recorders with Pole-Mount Dual QuickView wireless, pole-mount 3.6" viewer/recorders with pole mount, Micro SD Card & Reader	\$ 1,600.00
O-QV-HC8418	Single QuickView wireless, pole-mount 3.6" viewer/recorder	\$ 500.00
Diametrik		
E-Diametrik-15	Diametrik Pipe and Manhole Measurement - Standard system with 15' aluminum pole (cable is integral to pole), multi-axis connector, spring-loaded laser measurement foot, digital control unit for power and LCD display of measurements, shipping case, accessories kit with tooling, spare mirror, recharger, and laptop connection.	\$ 4,000.00
Verisight Pro		
O-V-SYS-090-000-100	VeriSight Pro 100' Push Camera with Digital Viewer/Recorder - Standard Package with 100' cable, self-leveling camera, tri-frequency sonde, battery powered control unit with viewing, control, text generation, recording and digital output, accessories case with USB memory stick, 3 skids, and tooling.	\$ 8,570.00
O-V-SYS-090-000-200	VeriSight Pro 200' Push Camera with Digital Viewer/Recorder - Standard Package with 200' cable, self-leveling camera, tri-frequency sonde, battery powered control unit with viewing, control, text generation, recording and digital output, accessories case with USB memory stick, 3 skids, and tooling.	\$ 9,570.00
O-V-SYS-090-000-300	VeriSight Pro 300' Push Camera with Digital Viewer/Recorder - Standard Package with 300' cable, self-leveling camera, tri-frequency sonde, battery powered control unit with viewing, control, text generation, recording and digital output, accessories case with USB memory stick, 3 skids, and tooling.	\$ 10,570.00
Agilios		
O-999-0807-00	Agilios Push Camera with 360-degree pan and 80-degree tilt capability. Stainless 3" self-leveling camera head on 200' cable navigates past multiple bends, withstands pressure to 1 bar, and illuminates target with shadowless LED array. Joystick pendant with 800x600 color touchscreen performs text overlay and digitally stores MPEG video and JPEG stills. Inspection video can be downloaded by USB 2.0, Ethernet or Xpress card. Other features include sonde transmitter and blue-tooth connectivity for inspection narration via wireless headset.	\$ 28,000.00
WinCan Products		
E-000-0057-00	WinCan V8 Core Module	\$ 2,800.00
E-000-0057-01	WinCan V8 Manhole Inspection Module	\$ 2,001.00
E-000-0057-02	WinCan V8 Analysis Module (report generator)	\$ 2,200.00
E-000-0057-03	WinCan V8 Overlay Control Module	\$ 990.00
E-000-0057-04	WinCan V8 Lateral Inspection Module	\$ 1,587.00
E-000-0057-07	WinCan V8 Inclination Module	\$ 2,738.82
E-000-0057-08	WinCan V8 Map Module 2008 (requires ESRI ArcGIS 9.3 Engine Runtime license, not included - p/n E-000-0057-ARC)	\$ 3,750.00
E-000-0057-09	WinCan V8 USB 2.0 Mobile Cap MPEG 1/2/4 External Encoder (requires Digital Capture Module part number E-000-0057-11)	\$ 1,029.41
E-000-0057-10	WinCan V8 VITEC card for MPEG 1/2/4 (requires software E-000-0057-11)	\$ 2,749.41
E-000-0057-11	WinCan V8 Real-time MPEG 1/2/4 recording software only (requires E-000-0057-09 or E-000-0057-10)	\$ 3,750.00
E-000-0057-12	WinCan V8 VCR Control Module	\$ 793.00
E-000-0057-15	WinCan V8 Multiple Inspection Upgrade Allows user to store more than two inspections per line	\$ 2,656.00
E-000-0057-16	WinCan V8 WRC module upgrade (requires E-000-0057-21 import/export module)	\$ 2,162.35
E-000-0057-17	WinCan V8 Draw Module	\$ 1,400.00
E-000-0057-18	WinCan V8 Core Network License	\$ 9,900.00
E-000-0057-19	WinCan V8 Digital Video Indexing	\$ 2,100.00
E-000-0057-20	WinCan V8 Upgrade (from V7)	\$ 2,000.00
E-000-0057-21	WinCan V8 WRC Import/Export Module	\$ 1,280.00
E-000-0057-ARC	ESRI ArcGIS Runtime Engine	\$ 905.00
E-000-0057-Demo	WinCan V8 Dealer Demo License	\$ 362.94
E-000-0057-DSExplorer	WinCan V8 DigiSewer Scan Explorer	\$ 7,889.80
E-000-0057-Grout	WinCan V8 Grouting Module	\$ 1,250.00
E-000-0057-Oracle	WinCan V8 Core Oracle Network 5 User License	\$ 18,595.00
E-000-0057-SQL	WinCan V8 Core SQL single-user license	\$ 3,150.00
E-000-0057-TEXT	WinCan V8 Text	\$ 1,853.00
E-000-0057-Pinnacle	External Pinnacle Capture Card	\$ 90.00
E-000-0057-3D	WinCan V8 3D Module	\$ 6,020.00
E-000-0057-PHAST	WinCan V8 Photo Assist Module	\$ 3,050.00
E-000-0057-DocMgr	WinCan V8 Document Manager Module	\$ 1,360.00
E-000-0057-Encoding	WinCan V8 Software Encoding Module	\$ 1,760.00
E-000-0057-GIS-Office	WinCan V8 GIS Office Module	\$ 5,000.00
E-000-0057-WINHZ	Neztek Hansen Integration Module	\$ 6,500.00

E-000-0057-M-Advanced	WinCan V8 Advanced Mobile Package includes Core, Inclination, Digital Capture (MPEG), overlay, VCR, Manhole, and Lateral Modules (does not include Vitec Card or Mobile Cap)	\$	10,000.00
E-000-0057-M-Basic	WinCan V8 Basic Mobile Package includes Core, Overlay, VCR Controls, Manhole, and Lateral Modules	\$	5,000.00
E-000-0057-M-Expert	WinCan V8 Expert Mobile Package includes Core, Multi-inspection, Measurement, WinCan Map (not including ARC ESRI), Inclination, Digital Capture (MPEG), Overlay, VCR, Manhole, and Lateral Modules (does not include Vitec Card or Mobile Cap)	\$	18,000.00
E-000-0057-O-Advanced	WinCan V8 Advanced Office Package includes Core, Lateral, Manhold, Report Generator, and Jog/Shuttle Modules	\$	8,000.00
E-000-0057-O-Basic	WinCan V8 Basic Office Package includes Core, Lateral, and Manhole Modules	\$	3,000.00
E-000-0057-O-Expert	WinCan V8 Expert Office Package includes Core, Manhole, Report Generator, Jog/Shuttle, MinCan Map (not including ARC ESRI), Measurement, Multi Inspection, GIS Integration, Project Manager	\$	15,000.00
E-Wincan-Service Agreement	1 Year Support Agreement	\$	1,500.00
E-WINCANTRAINING	Two-Day On-Site WinCan V8 Training includes instructor's travel expenses.	\$	3,300.00
Accessories			
E-VID-0021-01	19 inch computer monitor to include cabling and mounting bracketry	\$	990.00
E-VID-0039-01	19 inch LCD Monitor to include cabling and mounting bracketry	\$	900.00
E-VID-0054-00	DVD Recorder/ Player Combo	\$	485.00
E-PA-Rackmount	Rackmount Computer Include: Intel I-7 860 Processor 1333FSB, Intel X-55 1333FSB Solid Copper Capacitors Main Bard, 4GB DDR-3 1600FSB RAM I-7 Optimization RAM, 4-U Rack Mount Case Super Short 15" Depth, 2 Seagate 500GB SATA 2 RAID 1 Mirror 72K/16MB, DVD-RM Disk Drive 24X All Rite, PCI-E 512MB S-Video DVI SVGA Fanless 16X Express Card, 2 9 Pin Serial Ports, UL 730W Pick Time Server Power Supply, Windows XP Pro Base OS, PCI Wireless 802.11 B/G/N Dual Band Extended Range, 2 SATA 2 Raid Drives 72K/32MB ConstES	\$	3,500.00
E-000-0054-00	Laptop Computer including 15.4" WXGA Monitor, 80G Hard Drive, 1G RAM, 802.11 Wireless, 10/100 LAN, NVIDIA GeForce Graphics, DVD-RW/CD-RW Drive, Blue Tooth ready, Microsoft Windows XP Professional, Dazzle 100, USB/Serial Cable, RCA/RCA Cable, RCA/BNC Adap	\$	2,700.00
E-HP-PRINTER	Color Photo Printer	\$	600.00
Locators			
E-V-201-201-004	vLocCam Standard Receiver with compass - Passive power mode and two active frequencies of 512Hz and 33kHz. Alkaline and Ni-Mh (rechargeable) Batteries, Charger and Shoulder Style Carry Bag are included	\$	2,080.00
E-V-200-201-001	vLocPro Standard Receiver with Compass - internal rechargeable batteries, charger and alkaline patter pack. Passive modes of Power and Radio and Active frequencies of 512Hz, 8kHz, 33kHz, 65kHz and 200kHz	\$	2,370.00
Transport Options / Upfits			
E-Outpost	Outpost Portable Enclosure/Inspection Platform Aluminum Box is 46.5 inch H x 42.25 inch W x 42.25 inch D. Exterior is painted metallic gray, interior painted non-glaring black. Box interior has shelving for monitor, VCR, CCU and Cable reel, Tool drawer Circuit Breaker Box and Side Door storage and drip rail.	\$	7,125.00
E-SV-OUTPOST	SuperVision OutPost SuperVision Outpost Portable Enclosure/Inspection Platform; Aluminum Box is 46.5" H x 42.25" W x 42.25" D. Interior painted non-glaring black. Box interior has shelving for monitor, VCR, CCU and Cable reel, Single Tool drawer.	\$	9,352.00
E-Outp-GenslideOut	Outpost Generator Slide-out Upgrade Slide tray for generator in the upper right rear compartment. Generator slides out of the compartment 24 inches permitting generator to stay fixed on the tray while running.	\$	620.00
E-Outp-Washdown	Outpost Washdown System Upgrade Includes a 25 ft. Self winding hose reel housed in the upper right rear compartment. 15 gallon Fresh water tank is included with 110 volt pump with 40 psi and outside fresh water fill.	\$	1,760.00
E-U2000-00	Honda U2000 Generator	\$	1,500.00
CUTAWAY BOX	14',15',16' Cutaway Box- Barn Style Rear Doors and Standard Cab opening , with sliding door and Full Width Step Bumper or Chicago Style Bumper	\$	6,200.00
DRY FREIGHT BOX	14',16',16' Dry Freight Box- Barn Style Rear Doors and Full Width Step Bumper or Chicago Style Bumper	\$	5,900.00
Box Options	Full Size Cutaway Entrance, with sliding door and Fairing add to above Cutaway Box cost	\$	750.00
	Side Entry door and fold down RV steps and grab handle for Cutaway of Dry Freight add to appropriate cost from above	\$	750.00

	FullSize Lift Up rear door with shocks to replace Barn Style Rear Door on either Dry Freight or Cutaway Box, add to above cost	\$	1,400.00
