

Biography – Dr. Sharon Parsons

Dr. Sharon Parsons graduated from The Ohio State University College of Dentistry in 1981. After practicing in Chillicothe and Groveport, she joined Dental Associates in 1987 and is now the owner. As of October 4th, 2019, she is the president of the Ohio Dental Association. She has served in many capacities in the Columbus Dental Society. She also serves as a delegate from Ohio to the American Dental Association House of Delegates. She is a member of many professional organizations including the Pierre Fauchard Academy, International College of Dentists, the American College of Dentists, Academy of Operative Dentistry and the International Team for Implantology, American Association of Women Dentists, and the Dental Hygiene Advisory Board at OSU College of Dentistry.

Dr. Parsons practices general dentistry and treats patients of all ages. She has raised two sons in Bexley. Her youngest son is currently practicing with her at Dental Associates. She is active in the Bexley and surrounding community. She is currently chair of the East Main Street SID, which actively promotes improvement of the East Main Street business district east of Bexley. She is also actively educating people about opiate awareness and talks to dental professionals about opiate prescribing. This is a project she is passionate about since her older son died of an opiate overdose. In her spare time she gardens, hikes, walks her dog and spends time with friends.
