IV. DESCRIPTION OF CDBG ACTIVITIES AND FUNDING OBJECTIVES

Theme 1 Affordable Housing Opportunity

DEPARTMENT OF DEVELOPMENT

Acquisition and Relocation Compliance Staff

\$278,812

Staff reviews all CDBG and HOME activities for compliance with the Federal Uniform Acquisition and Relocation Act; develops, reviews and monitors implementation of relocation plans; provides technical assistance and training to city divisions as well as not-for-profit organizations working in the city; and provides optional relocation assistance to low- and moderate-income individuals required to vacate units due to code enforcement orders.

Staff will assist up to 200 households with optional relocation services and complete 375 project reviews.

Affordable Housing Opportunity Fund-CDBG

\$1,661,407

A) Home Safe and Sound Program (Homeowner Assistance Program) provides home repair loans and grants not to exceed \$40,000 in Neighborhood Pride Areas.

B) Home Modification Program provides up to \$25,000 in grants to homeowners and \$10,000 for rental properties to make accessibility modifications.

C) Chores Program provides up to \$1,000 in minor home maintenance to income-eligible elderly homeowners to enable them to remain in their homes.

D) Emergency Repair Program provides up to \$7,500 in grants to very low-income homeowners for critical repairs.

765 households will receive rehabilitation assistance in order to create and maintain decent, affordable housing.

Community Development Collaborative of Greater Columbus

\$20,000

The City of Columbus, Franklin County and other private organizations join together to contract with a non-profit organization to provide operating support and technical assistance for local Community Development Corporations (CDCs).

Administrative costs related to CHDO Operating Support.

Consolidated Plan

\$173,000

Every five years the city allocates funding for the preparation of the Consolidated Plan. This plan enables the city and county to assess their affordable housing and community development needs as well as market decisions, to make data driven, place-based investment decisions. The consolidated planning process serves as the framework for a community-wide dialogue to identify housing and community development priorities.

This activity will fund the consultant charged with coordinating the development of the plan.

Continuum of Care Application

\$10,000

The Community Shelter Board (CSB) prepares the annual Consolidated Application for the Continuum of Care Homeless Assistance Programs. The Consolidated Application is submitted to the U.S. Department of Housing and Urban Development for all Columbus and Franklin County projects. This funding supports the city's effort to provide housing units to homeless individuals.

Fair Housing Services Contract	\$105,456
<p>Funds are provided for administrative costs to the Columbus Urban League (CUL) to enable them to provide fair housing services to the residents of the city. These services include increasing the awareness of fair housing issues, fair housing barrier elimination, housing discrimination redress and implementation of the Fair Housing Action Plan.</p> <p>The CUL will provide fair housing education and training; investigate all alleged housing discrimination complaints; coordinate and conduct housing discrimination testing sets and affirmative marketing monitoring visits on HOME projects; conduct homebuyer and homeownership education classes and advertising promotions/campaigns in order to reach protected groups.</p>	
Fiscal Office Rehabilitation	\$213,412
<p>The Fiscal Rehabilitation unit is responsible for financial recordkeeping for the housing rehabilitation programs. These duties include budget preparation, quarterly financial reviews, contract payments and accounts payable.</p>	
Homebuyer Counseling and Housing Development	\$56,777
<p>The City will contract with HUD-approved Housing Counseling Agencies to provide homebuyer and homeowner counseling.</p> <p>This activity will provide homebuyer education or housing counseling to 50 people.</p>	
Homeownership Assistance Staff	\$852,331
<p>Staff implements the Homeowner Assistance, Home Modification, Chores, Deaf Services and the city funded Roof Repair programs. Activities consist of processing applications, feasibility assessments, preparation of rehabilitation specifications, regulatory compliance, assisting homeowners with the bid process, construction management and processing of change orders and draws. Staff also performs construction draw inspections for Homeownership Development and Rental Housing Production Preservation projects, reviews rehabilitation specifications for Homeownership Development projects and prepares rehabilitation specifications for Land Reutilization Program properties in the CDBG service area.</p> <p>See the Affordable Housing Opportunity fund for individual goals.</p>	
Housing Administration	\$158,350
<p>Staff administers all housing programs including the Affordable Housing Opportunity Fund (Homeownership Assistance, Home Modification, Chores, Emergency Repair and Homeownership Development programs), and Acquisition and Relocation Compliance. Staff also administers the Residential Tax Incentive program.</p> <p>This activity will provide staff salaries and other administrative costs for overall administration of the Housing Division.</p>	
Housing Development and Finance Staff	\$211,966
<p>Funds provide staff and administrative costs to implement the Housing Development Program, the Residential Tax Incentives Program and to manage loan assets.</p> <p>This activity will provide staff expenses to create affordable housing opportunities.</p>	

DEPARTMENT OF HEALTH

AIDS Housing Program Staff

\$18,179

This program coordinates the federal Housing Opportunities for Persons with AIDS (HOPWA) HUD grant with other HIV related community resources and local homeless and housing services. The HOPWA program provides long term, comprehensive strategies for meeting the housing needs of low-income individuals living with HIV/AIDS; increases access to HIV related medical care and decreases the risk of homelessness.

245 households including an individual living with HIV/AIDS will have decent, affordable housing through tenant based rental assistance, short term rent, mortgage and utility assistance or emergency housing to establish or maintain affordable stable housing to increase access to needed medical care and decrease the risk of homelessness.

Theme 2 Neighborhood & Target Area Revitalization

DEPARTMENT OF DEVELOPMENT

Code Enforcement

\$719,188

The Code Enforcement program is responsible for making inspections and issuing notices and orders to property owners for violations of various sections of the Columbus City Code. Inspectors meet with owners, residents, attorneys and community groups to resolve issues that impact health and safety, as well as improve the housing stock in the City of Columbus. Inspectors testify in court cases involving non-compliant owners, make referrals to other divisions and agencies, participate in the Neighborhood Pride Program and respond to citizen concerns from the 311 call center.

This unit will write 2,100 violation notices to address housing and environmental violations.

Environmental Nuisance

\$364,277

The Environmental Nuisance Program is designed to eliminate harmful environmental conditions within the Community Development service area. The Environmental Blight Abatement (EBA) unit mows and cleans vacant lots, secures vacant structures, demolishes unsafe garages and accessory structures and maintains city owned properties. The Weed Abatement Coordinator will contract with outside vendors to mow and clean solid waste from private properties.

The EBA unit will mow and clean solid waste from 125 city owned vacant lots. 800 private parcels will be mowed and the solid waste removed by outside contractors, creating a better living environment in low- and moderate-income areas.

Land Reutilization Program

\$411,040

The Land Reutilization program allows the city to designate and acquire vacant, abandoned and foreclosed properties for redevelopment or reuse. Structures are sold for rehabilitation, demolition or new infill development. The goal of the program is to turn non-productive property into productive neighborhood assets while mitigating blight in the neighborhoods.

518 vacant and abandoned lots and structures will be cleaned up and mown. 75 blighted structures will be demolished.

Neighborhood and Agency Programs

\$402,417

Neighborhood Liaisons were created to improve communications with neighborhoods. They work closely with neighborhood leaders to discuss, address and resolve community issues. They are able to connect city government and the community to resolve community concerns.

Neighborhood liaisons meet with thousands of residents over the course of the year. They

attend area commission, civic association, neighborhood coalition, block watch and other community meetings. Their goal is to help the citizen or neighborhood access city information and services.

Theme 3 Economic Development

DEPARTMENT OF DEVELOPMENT

Brownfield Remediation

\$61,141

The Brownfield Remediation Program strives to eliminate slum and blighted conditions by cleaning up contaminated land and buildings to be redeveloped into viable commercial and industrial space. Applications are made to the state, federal and local governments for clean-up funding. Vacant land and buildings are redeveloped, thereby creating jobs and increasing investment in the central city.

4 companies will benefit from brownfield remediation, creating 50 new jobs and substantially increasing investment in the central city.

Business Development Office

\$201,377

The Business Development Office strives to keep existing businesses growing and to bring new business and jobs to the city. This is accomplished through site visitations, site and infrastructure research projects, coordination of financial assistance and capital improvement packages, employment assistance and networking with local, state, federal and private sector entities to meet the needs of existing and prospective businesses.

Over 150 businesses will be provided assistance in the City of Columbus resulting in over 50 million dollars in new business development investment in Columbus.

Business Financing Office

\$357,167

The Business Financing Office services all economic development loans closed prior to 2004. Activities include payoffs, subordinations, forbearance agreements, delinquencies and legal action. The Business Financing Office is the liaison between the city and its loan underwriters, Community Capital Development Corporation (CCDC) and the Economic and Community Development Institute (ECDI).

It is anticipated that this office will directly impact the creation/maintenance of 25 jobs.

Economic Development Loans

\$476,736

This program will provide a variety of loans to small businesses. One loan product has an emphasis on minority-owned businesses, another provides micro-loans to low- and moderate-income individuals who own small businesses or want to start a small business. The fund will also make fixed asset financing available through expansion. Loans will leverage and/or reduce the cost of business borrowing. In addition, the program consists of a variety of integrated strategies coordinated to enhance the image of each business corridor. A variety of lending tool provisions will offer attractive financing terms to spur investment.

Through these loans, this program is projected to directly impact the creation of 50 jobs in 2014.

Neighborhood Commercial Development

\$228,237

Staff members of the Neighborhood Commercial Development Program implement the city's initiatives in 6 targeted areas. These initiatives include: implementation of the Neighborhood Commercial Revitalization (NCR) Program, implementation of commercial grants, the provision of training and technical assistance to NCR business associations, oversight of requested design services from the Neighborhood Design Center (NDC) and the identification

of additional resources to augment the NCR Program.

Staff will provide ongoing technical assistance to businesses and business associations in the six targeted areas, process 10 grants to commercial businesses and community development corporations in the targeted areas, and market city loan programs by referring 40 individuals/businesses to CCDC and ECDI for potential loans.

Neighborhood Support Fund

\$243,914

Recognizing the priorities of the community, the program was established to provide a source of funding for neighborhood-based organizations to develop and implement their economic development projects, initiatives and services. This activity will fund the Design Center, Greater Linden Development Corporation and the Neighborhood Economic Development Fund. Design services are provided to enhance the image and viability of each business corridor. The funds will provide administrative funding for community development corporations, neighborhood-based organizations and business associations.

Design services will be provided for 20 commercial buildings located in 6 designated areas. Six business associations will provide training and seminars to areas businesses. Five business associations will provide marketing materials and business directories, for products and services available in the area, to area businesses. Four business associations will provide quarterly newsletters or newspapers to residents of the city.

Theme 4 Supportive Services

DEPARTMENT OF DEVELOPMENT

Rebuilding Lives Supportive Services

\$71,029

The Community Shelter Board oversees the implementation of the Rebuilding Lives program. The Rebuilding Lives Plan is a two-part approach to ending homelessness and literally “rebuilding lives.” The first part is meeting the short-term needs of homeless men and women through an improved safety net of emergency shelter. The second is the meeting of long-term needs through the development and operation of permanent supportive housing. Funds will be used for supportive services to the Rebuilding Lives program. Supportive services will consist of coordination of necessary social services for homeless men and referrals for homeless men and women to physical and mental health agencies.

Supportive services will be provided to 1,100 Rebuilding Lives units.

DEPARTMENT OF HEALTH

Pregnancy Support Program

\$51,261

The program offers in-home family centered coordination and education services to promote positive pregnancy and infant health outcomes for pregnant women and their infants up to age one. Staff identifies high risk women through active community outreach; provides mobile pregnancy testing and follow-up to prenatal, pediatric and primary care; and assists the women in obtaining necessary social services such as pregnancy education, infant and parenting information, assistance obtaining Medicaid, WIC and other community services as needed.

This program will administer 100 pregnancy tests and identify 40-50 clients to be followed through pregnancy to one year following birth.

Sexual Health Awareness Program

\$144,295

The Sexual Health Awareness Program will decrease the incidence of sexually transmitted infections by increasing the sexual health management skills of the city’s most vulnerable populations. The program provides a continuum of sexual health education, diagnostic,

treatment and referral services. These services are targeted toward low-income uninsured/underinsured persons/households. The program will provide culturally competent education to increase the sexual health management skills of 1,300 persons in targeted areas through various community groups and one-on-one sessions.

DEPARTMENT OF RECREATION & PARKS

Capital Kids Program

\$323,502

The Capital Kids after school program model incorporates trained staff, state of the art technology, high expectations and high performance standards designed to gauge student's academic achievement and to provide participants with a safe place to learn and play when school is out. Currently there are Capital Kid programs in four city community recreation centers. The Capital Kids program contains six components: a nutritious snack, academic assistance, life skills, prevention programs, recreation and socialization.

140 students will be provided assistance during non-school hours.

City Recreation Facilities Programs

\$269,404

The Community Center programs provide participants with a safe and fun place to learn and play. Children and adults are provided with a variety of affordable programs designed to enhance their leisure time, improve their fitness level and their social skills.

Funding will be provided to 11 center city facilities that will serve hundreds of children, parents and seniors.

Columbus Kids; Ready, Set, Learn

\$59,090

Approximately 40% of children entering Columbus City Schools (CSS) kindergarten require intervention because they lack foundational skills. Columbus Kids is designed to increase the number of children who enter CCS kindergarten ready to learn. United Way of Columbus and partners are leading the effort to provide school readiness and referral services for children ages 2.5 to 4 years old and their families.

Columbus Kids; Ready, Set, Learn program will identify, screen and refer up to 3,300 children who reside in the Columbus City Schools District.

School's Out Program

\$182,026

The School's Out Program is designed to benefit the children of working parents by providing a camp for children, ages 6 to 14 years, which operates during the summer when school is not in session. School's Out offers a day long, well supervised program that allows children to take part in a variety of recreational, educational, cultural and physical fitness activities in a safe and secure environment.

300 participants will have access to these activities.

Programmatic Support

DEPARTMENT OF DEVELOPMENT

Fiscal Contracts and Legislation

\$103,490

The Fiscal Contracts and Legislation Unit is responsible for financial recordkeeping functions, including contract payments and accounts payable.

DEPARTMENT OF FINANCE & MANAGEMENT

Grants Management Staff **\$461,893**

The staff of the Grants Management Office administers the Community Development Block Grant, Emergency Solutions Grant, HOME and Housing Opportunities for Persons with AIDS programs. Duties include budget development, financial resource management, program monitoring and technical assistance, completion of required environmental reviews, loan servicing, federal prevailing wage compliance, project eligibility issues and the preparation of required federal reports.

Loan Servicing Contract - Economic Development **\$20,000**

Funds provide for a loan servicing contract that will assist in the administration of the city's economic development loan portfolio.

Loan Servicing Contract - Housing **\$100,000**

Funds provide for a loan servicing contract that will assist in the administration of the city's housing loan portfolio.
