BASIS OF BEARINGS:
 The bearings shown on this plat are based on the Ohio State Plane Coordinate System, South Zone, NAD83 (1986). Said bearings originated from a field traverse which was tied (referenced) to said coordinate system by GPS observations and observations of selected Franklin County monuments FRANK 65 and FRANK 165. The portion of the centerline of Bridgeway Avenue, having a bearing of N 85° 37' 22" W as shown hereon, is designated the "basis of bearing" for this survey.
