5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

This project is for parking lot improvements at the Ulry Road water tank site, consisting of: constructing a parking lot addition, removing the existing parking area, site restoration, and other such work as may be necessary to complete the contract, in accordance with the plans [15-095] and specifications set forth in the Invitation For Bid (IFB).

Community planning area: “Rocky Fork - Blacklick”

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract work is required to be completed in a manner acceptable to the City within 90 calendar days from the date that a Notice To Proceed (NTP) is given by the City.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This project will provide safety improvements at the Uly Road water tank site. There are currently parking spaces for the adjacent police substation located in the overhang zone of the elevated storage tank bowl that are at risk of falling ice from the tank roof. These parking spaces will be removed and new spaces will be provided in an area safely away from the tank.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$60,786.22, including a 15% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$60,786.22
Future Anticipated Needs	<u>\$ 0.00</u>
CONTRACT TOTAL	\$60,786.22
