

SERVICE STATEMENT
AN03-028
171.0 acres in Prairie & Pleasant Townships
Jennifer Grooms, et al.

Public Safety: The City of Columbus, Department of Public Safety will be able to provide the appropriate level of safety related services to the proposed annexation area. Such services will include police and fire protection as well as emergency medical service to the subject property.

While the petitioner for annexation may have proposed future development plans for the property in question, the Department of Public Safety requests that the City exercise its discretion in the coming development planning and review process to ensure any future development will be properly served by the Department of Public Safety. Discussions between the City and the present property owner or any future developers regarding post annexation changes in zoning or other changes to the property should include the Department of Public Safety and the Department of Development to ensure any proposed development of the annexation property may be adequately accommodated. Specific details for safety services are dependent upon the parameters of future development that is ultimately approved by the City.

At the present time fire protection for the proposed annexation is as follows:

First response from: Station 31, 5305 Alkire Road, 6 Personnel/ 3 Paramedics.
Apparatus responding: Paramedic/Engine, Medic, and Tank Wagon.
Time: 5.0 minutes.

Second response from: Station 12, 3200 Sullivant Avenue, 10 Personnel/ 3 Paramedics.
Apparatus responding: Paramedic/Engine, Medic, and Ladder.
Time: 10.5 minutes.

Sanitation: Residential refuse collection services will be available upon annexation of the property.

Streets: Maintenance will be available for any additional right-of-way that may be included in this annexation request.

Water: This site can be served by an existing 16 inch main located in Johnson Road and Big Run Road.

Sewer:

Sanitary Sewer:

This area is tributary to a proposed 30 inch sanitary sub trunk sewer scheduled to be constructed to the intersection of Holt and Big Run South Roads in 2005. Extensions from that point will be the responsibility of the developer.

Storm Sewer:

All storm sewers necessary for development/redevelopment of the area shall be designed in accordance with design policy and zoning codes in effect at the time of development.

All sanitary and storm sewers required shall be constructed privately by the owners/developers at their own cost and expense with no cost to the city.
