## 2006 COMMUNITY DEVELOPMENT BLOCK GRANT

### IV. DESCRIPTION OF ACTIVITIES AND FUNDING OBJECTIVES

#### A. AFFORDABLE HOUSING OPPORTUNITY

##### DEPARTMENT OF DEVELOPMENT

##### **Acquisition and Relocation Compliance Staff (\$56,553)**

The Acquisition and Relocation staff reviews all CDBG and Empowerment Zone activities for compliance with the Federal Uniform Acquisition and Relocation (UAR) Act, develops or reviews relocation plans and monitors implementation of those plans. They provide technical assistance and training to City Economic Development and Housing divisions, the Columbus Compact and other recipients of CDBG, HOME or Empowerment Zone funds. Additionally, they provide optional relocation assistance to low- and moderate-income individuals required to vacate units due to code enforcement orders.

It is estimated that staff will conduct 350 project reviews for UAR compliance and assist 50 households with optional relocation services.

##### **Affordable Housing Opportunity Fund—CDBG (\$1,303,241)**

The Affordable Housing Opportunity Fund activities include:

- A) Home Safe and Sound (Homeownership Assistance Program) - Provides home repair loans and grants of up to \$20,000 plus additional grants to control lead-based paint hazards in Neighborhood Investment Districts and Neighborhood Pride areas. An estimated 75 low- and moderate-income households will benefit.
- B) Home Modification Program- Provides up to \$15,000 grants to homeowners and up to \$10,000 for owners of rental property with income-eligible disabled tenants, to make accessibility modifications. An estimated 14 low- moderate-income households will benefit from this program.
- C) Chores- Provides up to \$1,000 of minor home maintenance to an estimated 75 income eligible elderly homeowners.

##### **Emergency Repair Program (\$400,000)**

The Emergency Repair Program provides for the immediate correction of an emergency condition that has been determined to present an imminent danger to the health and safety of the low-income owner-occupants of housing.

300 emergency repairs will be completed.

##### **Fiscal Office—Rehab (\$263,853)**

The Fiscal Rehab unit is responsible for financial record keeping for the Housing-Rehab program. These duties include budget preparation, quarterly financial reviews, contract payments and accounts payable.

##### **Homebuyer Counseling and Housing Development (\$230,000)**

These funds provide grants for activities that are needed for the City to implement its housing programs and revitalize neighborhoods. The grants include: 1) funding for the Community

Development Collaborative to administer the Community Housing Development Organization capacity-building grants; 2) three grants for homebuyer counseling and education to Columbus Housing Partnership (CHP), Homes on the Hill (HOTH) and Mid-Ohio Regional Planning Commission (MORPC); 3) MORPC for the Joint Columbus and Franklin County Housing Advisory Board (HAB); 4) Community Shelter Board (CSB) for the preparation of the HUD Continuum of Care application; and 5) a grant for assistance with the preparation of the HUD-required Consolidated Plan.

### **Homeless Prevention and Crisis Transition Program (\$420,000)**

Funds are provided to the Community Shelter Board to provide assistance to households in danger of losing their housing (Homeless Prevention Program) and to provide homeless households with funds to find transitional or permanent housing (Crisis Transition Program).

530 households will be served.

### **Homeowner Assistance Staff (\$1,296,877)**

The Homeowner Assistance Staff implements the Home Safe and Sound Program (Homeownership Assistance Program), Emergency Repair Program, Home Modification Program and Chores Program. Activities consist of processing applications, feasibility assessments, the preparation of rehabilitation specifications, regulatory compliance, assisting homeowners in the bid process, construction management and processing of draws and change orders. Additionally, staff performs construction draw inspections for Homeownership and Rental Housing Production/Preservation projects, reviews specifications for Homeownership Development projects and prepares rehabilitation specifications for Land Reutilization Program (land bank) properties in the CDBG service area.

### **Housing Administration (\$189,311)**

The staff manages and administers all housing programs, including the Affordable Housing Opportunity Fund (Homeownership Assistance Program, Home Modifications Program and Chores Program, and Homeownership Development Program), Emergency Repair Program, Homebuyer Counseling and Housing Development, Housing Services (Mobile Tool Library), and Acquisition and Relocation Compliance. Staff also administers the Residential Tax Incentive Program and oversees the Lead Safe Columbus program.

See individual program descriptions for proposed accomplishments.

### **Housing Development and Finance Staff (\$169,797)**

Provides staff and expenses to implement the Homeownership Development Program, American Dream Down Payment Initiative, Rental Housing Production/Preservation Program and to manage the city's housing loan assets.

See Affordable Housing Opportunity Fund description for proposed accomplishments.

### **Housing Services Staff (\$366,810)**

Funds provide staff and expenses to operate the Mobile Tool Library. The Mobile Tool Library provides tools for 30 events such as community clean-ups, park beautification, community gardens and playgrounds and Pride Community Night events. Staff also provides feasibility assessments, specifications and referrals in the Neighborhood Pride areas.

The Mobile Tool Library will loan 1,400 tools to homeowners.

## **DEPARTMENT OF FINANCE**

### **Fair Housing Services Contract (\$188,814)**

The Columbus Urban League (CUL), through a contract with the city, provides fair housing services to the residents of the City. These services include increasing the awareness of fair housing issues, fair housing barrier elimination, housing discrimination redress and preparation and implementation of the Fair Housing Action Plan.

CDBG funds provide for administrative costs to enable the CUL to provide Fair Housing services through research, advocacy, landlord-tenant counseling, housing discrimination investigation, placement assistance and education.

## **DEPARTMENT OF HEALTH**

### **2006 AIDS Housing Program Staff (\$54,504)**

This program coordinates the federal Housing Opportunities for Persons with AIDS (HOPWA) HUD grant, other HIV disease housing grants and services, and an HIV disease housing plan. The HOPWA program provides for the implementation of long-term comprehensive strategies for meeting the housing needs of low-income persons infected with HIV/AIDS and their families.

Staff will manage the HOPWA contracts for the project sponsors; assure Housing Assistance Resources are maintained/expanded and accessible with minimal barriers for income-eligible persons infected with HIV.

## **B. NEIGHBORHOOD AND TARGET AREA REVITALIZATION**

## **DEPARTMENT OF DEVELOPMENT**

### **Code Enforcement (\$597,904)**

The Code Enforcement Program is responsible for making inspections and issues notices and orders to property owners for violations or various sections of the Columbus City Code which include the Health, Sanitation and Safety Code and Zoning and Housing Code. Inspectors meet with residents, owners and others to resolve issues that impact the health and safety of citizens. They offer testimony in court cases involving non-compliant owners. Staff makes referrals to other divisions and agencies as needed and is a major participant in Neighborhood Pride initiatives.

This unit will make more than 2,700 inspections in 2006.

### **~~Columbus Compact (\$66,744)~~**

~~The Columbus Compact is the governing body and implementation agent of the Columbus Empowerment Zone (EZ). The EZ is a 14 square mile area encompassing 21 neighborhoods in the Columbus Central City. The Compact will focus on strategic targets of economic opportunity, neighborhood life and community values/cultural life as outlined in the EZ Strategic Plan. CDBG funds will be used for an administrative contract with the Compact.~~

~~2006 will continue implementation of the 13 EZ initiatives identified as high priority by the Columbus Compact Board.~~

### **Environmental Nuisance (\$315,269)**

The Environmental Nuisance Program is designed to eliminate harmful environmental conditions within the Community Development Service area. It is made up of the following: 1) Environmental Blight Abatement-provides alley and vacant lot clean up, the boarding up of vacant, unsecured structures, and other blight abatement activities; 2) Weed and Solid Waste Abatement-provides for the cutting of high grasses and noxious weeds and the removal of solid waste from vacant lots and structures. This activity is necessary to ensure and maintain a safe and healthy environment.

This program will maintain approximately 190 vacant lots for the Land Management Program. In addition, the program will contract for weed cutting and solid waste disposal for approximately 1,200 vacant lots and lots with unoccupied structures.

### **Land Reutilization Program (\$211,481)**

The Land Reutilization Program allows the city to designate and acquire tax delinquent properties for redevelopment. The purpose is to identify, acquire, foreclose, maintain and evaluate properties to be sold or to be held for future development. Vacant land is sold for infill housing, green space and commercial redevelopment. Structures are sold for rehabilitation and demolition for new builds. The goal of the program is to return non-productive land in city neighborhoods into productive assets.

In 2006 the program will increase properties sold for infill housing and abandoned structures. Inventory will be increased by 20 parcels through foreclosure requests, donations and acquisition for infill housing, rehabilitation of vacant structures and commercial development projects.

### **Neighborhood and Agency Programs (\$379,504)**

Staff serves as liaisons to various community groups to identify issues relating to housing, social service, code enforcement, rehabilitation, and other projects. Staff facilitates community access to inter- and intra-department personnel, provides technical assistance on projects and monitors city contracts that are established through this process. Staff facilitates the evaluation of, recommends funding for, and monitors the outcomes of various social service programs. In addition, the staff works with area commissions and major civic associations and provides avenues for residents to participate in revitalization activities impacting their communities.

Staff will provide technical assistance to Neighborhood Liaison Areas located within the CD Service area, area commissions and major civic associations. Staff will work with organizations representing neighborhoods, to preserve and promote the character and assets of neighborhoods and target areas.

### **Neighborhood Planning (\$152,937)**

The Neighborhood Planning staff works in partnership with the community to enhance and sustain neighborhoods. The primary objective of the program is to provide planning assistance to central city neighborhoods by preparing and implementing community-based area and neighborhood plans, reinvestment plans and development policies, and economic development strategies and guidelines. Neighborhood Planning also maintains the INFObase website, a repository of city plans, demographic data and other neighborhood and city information useful to neighborhood organizations and citizens. The planning process for the program focuses primarily on redevelopment and revitalization issues.

The Planning staff will provide ongoing staff support to the Rickenbacker-Woods Technology Center project; complete the Weinland Park Neighborhood Plan; provide plan assistance; update

and maintain the INFObase section of city web site; and update and post on the city web site demographic and plan data for planning areas.

## **DEPARTMENT OF PUBLIC SERVICE**

### **SURF Program (\$155,287)**

The Summer Urban Repair and Fix-Up (SURF) program will provide blight abatement activities in Columbus neighborhoods and Neighborhood Commercial Revitalization (NCR) areas. It is also a summer employment training program for low-income youth.

The work will focus on ten (10) areas/neighborhoods and NCR strips utilizing over eighty (80) youth participants to conduct rotating clean-up operations within the prospective neighborhoods.

## **C. ECONOMIC DEVELOPMENT AND ECONOMIC OPPORTUNITY**

### **DEPARTMENT OF DEVELOPMENT**

#### **Business Development Office (\$414,698)**

The Business Development Office strives to keep existing Columbus businesses growing and to bring new businesses and jobs to the City. This is accomplished via site and infrastructure research and projects, coordinating financial assistance and capital improvement packages, employment assistance and networking with local, state and federal governments, as well as the private sector, to meet the needs of Columbus' existing and prospective businesses.

The Business Development Office will have a direct impact in the creation of over 1000 new jobs and assistance to over 200 businesses within the City of Columbus. The Business Development Office will also help stimulate approximately 70 million in new business development investment for Columbus. The Business Development Office will also continue to help oversee implementation of the USEPA Brownfield Grant.

#### **Business Financing Office (\$141,157)**

The Business Financing Office services all economic development loans closed over the past 15 years. This includes payoffs, subordinations, delinquencies, and legal actions. The Business Financing Office is also the liaison between the City and our loan underwriter, Community Capital Development Corporation.

It is projected that this office will directly impact creating and maintaining 70 jobs through 15 loans and 20 loan workouts in 2006.

#### **Columbus Urban Growth Corporation (\$213,750)**

~~The Columbus Urban Growth (CUGC) is acquiring and developing unused or underutilized land on behalf of the City of Columbus, Development Department in targeted areas. They will continue to find appropriate commercial and industrial uses for these properties to create economic opportunity for residents of the area. Columbus Urban Growth assists with marketing of properties, designing infrastructure and developing business incentive packages.~~

~~The Columbus Urban Growth Corporation will continue to focus on the development of the West Edge Business Park to create or relocate 500 jobs. Other projects will include the development at the Four Corners Site in Linden to create 62 jobs, land assembly for the residential and commercial development at Long and Taylor Avenues, and the redevelopment of the Northland Site. CUGC will also develop the Gowdy Field site and assist in the development of a new~~

~~strategy for Parsons Avenue. The Columbus Urban Growth Corporation will create or maintain at least 500 jobs as a result of these projects.~~

### **Economic Development Loans (CCDC) (\$1,468,836)**

This program establishes an agreement with Community Capital Development Corporation (CCDC) to provide loans to small businesses with an emphasis on minority-owned businesses. The fund will also make available fixed asset financing to business borrowers that create jobs through expansion. Loans will leverage and/or reduce the cost of business borrowing. In addition, the program consists of a variety of integrated strategies coordinated to enhance the image of each business corridor. A variety of lending tool provisions under this program offer attractive financing terms to spur investment.

It is projected that this fund will directly impact the creation of over 50 jobs through loans in 2006.

### **Neighborhood Commercial Development (\$468,121)**

Staff members of the Neighborhood Commercial Development Program implement the City's initiatives in 15 targeted areas. These initiatives include: implementation of the neighborhood Commercial Revitalization Program; initiation of commercial grants; provision of training and technical assistance to existing and prospective businesses and NCR business associations; provision of oversight for requested design services from the Neighborhood Design Center; and identification of additional resources to augment the NCR Program.

Staff of the NCR program will provide on going technical assistance to businesses and business associations in the 15 targeted areas, process at least 20 grants to commercial businesses and CDC's in the 15 targeted areas, market the loan programs and refer at least 30 prospective loan clients to CCDC for commercial financing. Staff will also conduct monthly meetings as well as quarterly site visits to review designs, installation and/ or final recommendation of the Neighborhood Design Center. NCR will leverage at least \$400,000 in additional financing resources to augment the NCR Program.

### **Neighborhood Support Fund (\$464,265)**

The Neighborhood Support Fund was established to provide a source of funding for neighborhood-based organizations to develop and implement their own economic development projects, initiatives, and services. Design services are provided to enhance the image and viability of each business corridor. The funds will provide administrative funding for Community Development Corporations and neighborhood-based organizations and business associations.

Design services will be provided for 35 commercial buildings located in 15 designated areas. Seven business associations will provide training and seminars to areas businesses on how to run a successful business. Seven business associations will provide marketing materials and business directories to area businesses on products and services available in the area. Six business associations will provide quarterly newsletters or news papers to the residents of Columbus. Three organizations will initiate a commercial development project.

### **Columbus State/Small Business and Minority Center (\$23,085)**

This program continues a contract with Columbus State Community College to provide technical assistance to small businesses through the Small Business and Minority Center. Volunteers provide assistance to individual clients on business problems including, marketing, legal, financing, personnel and job growth.

The Small Business and Minority Center will provide business counseling to approximately 80 small businesses located within the City of Columbus, thereby by creating or maintaining at least 50 jobs.

## **DEPARTMENT OF PUBLIC SERVICE**

### **Neighborhood Commercial Revitalization (NCR) Engineering (\$174,397)**

The Public Service Department provides coordination of design and legislation for NCR and Urban Infrastructure Recovery Fund (UIRF) projects that address needed capital improvements in central city neighborhoods.

The staff will participate in the review and design of 45 capital improvements projects during 2006.

## **D. SUPPORTIVE SERVICES**

## **DEPARTMENT OF DEVELOPMENT**

### **Public Service Competitive Fund (223,780)**

The Public Service Competitive Fund represents the city's commitment to the maintenance and enhancement of critical public or social services, in compliance with the city's Consolidated Plan. Funds will be allocated to those agencies that have applied to the city through its' annual CDBG application process.

Staff will work with 5 social served agencies to provide workforce training, education and other linkages to high growth job markets.

## **DEPARTMENT OF HEALTH**

### **2006 Pregnancy Support Program (\$103,426)**

The program offers in-home family centered coordination and education services to promote positive pregnancy and infant health outcomes for pregnant women and their infants to age one. Staff identify high risk women through active community outreach, provide mobile pregnancy testing, linkage and follow-up to prenatal, pediatric and primary care, linkage and referral to community social services when necessary, education on pregnancy, infant and parenting related topics and assistance obtaining Medicaid, WIC and other community services as needed. The program is part of the Community Outreach Assistance Team housed within the Division of Maternal and Child Health. Pregnancy Support promotes collaboration and helps provide additional comprehensive services.

Pregnancy Support Staff will administer 400 pregnancy tests. 60 clients identified and followed through pregnancy to 1 year following birth.

### **2006 Sexual Health Awareness Program (\$177,505)**

This project will benefit low-moderate-income persons by reducing STD/HIV infections, unwanted pregnancies, and high-risk sexual activities among this population. Outreach occurs in all areas of Columbus through schools, churches and community groups and provides education about sexually transmitted diseases and HIV. Outreach activities in the targeted communities are focused on high-risk youth and include referrals to the community based Sexual Health Awareness Clinic (SHAC). Activities will be carried out by a Disease Intervention Specialist and Public Health Nurse, as well as through collaborative efforts with community agency partnerships,

churches, schools and drug rehabilitation centers for youth. During the past year the SHAC has maintained a location in the Cleveland Avenue COTA building in conjunction with the Columbus Health Department's Perinatal Program. This location in the Empowerment Zone serves clients that are primarily low or low-moderate-income status. SHAC is currently pursuing additional west and south locations in conjunction with other Infectious Disease Programs at the Columbus Health Department.

The Sexual Health Awareness Clinic will serve 4,500 people.

## **MAYOR'S OFFICE OF EDUCATION**

### **Capital Kids Program (\$250,000)**

The Capital Kids Program serves elementary students during non-school hours. The program provides a safe and caring environment where participants have the opportunity to increase their academic skills and gain positive interpersonal and social skills. The program fosters positive connections between school, family and community.

180 students will be served in 2006.

## **DEPARTMENT OF RECREATION & PARKS**

### **School's Out Program (\$243,427)**

The School's Out Program is a fitness day camp for children ages 6 - 14, who have parents that work outside of the home, and meet the CDBG Income Guidelines. Registration for the program is on a first come, first served basis for the Spring and Winter sessions, and by lottery for the Summer session. The program, operated Monday through Friday, begins at 7:00 a.m. each day and runs through 6:00 p.m. The children receive a full fitness regimen of activities, including but not limited to aerobics, group games, table games, arts and crafts, relays, track and field activities, jogging, African dance, football, basketball and cheerleading. The children receive breakfast, lunch and snacks each day. They participate in the Columbus Public Library's Summer Reading program, have a fun and educational field trip at least bi-weekly, and participate in many of the Columbus Recreation and Parks Department summer special events and activities. During the summer program, they all receive ten weeks of free learn to swim lessons at our local department swimming pools.

This grant allows us to program in the summer, for 420 children, 60 at each site, and 210 children respectively during the spring and winter sessions.

## **E. PROGRAMMATIC SUPPORT**

### **DEPARTMENT OF DEVELOPMENT**

#### **Administrative Support (\$112,624)**

Support staff provides clerical and administrative support to the various CDBG planning, implementation and monitoring activities provided by the Development Department. Staff activities include: document, form and report preparation, filing and maintenance of inventories of materials and supplies.

**Fiscal and Legislation (\$169,102)**

The Fiscal and Legislation unit is responsible for all financial record-keeping functions, including budget preparation, quarterly financial reviews, contract payments, legislation processing and accounts payable.

**DEPARTMENT OF FINANCE**

**Grants Management Staff (\$486,818)**

The staff of the Grants Management Office administers the Community Development Block Grant, Emergency Shelter Grant, HOME and Housing Opportunities for Persons with AIDS programs. Duties include budget development, management of financial resources, program monitoring, technical assistance, completion of environmental reviews, loan servicing, prevailing wage compliance, determination of project eligibility issues and the preparation of required federal reports.

**III. DESCRIPTION OF ACTIVITIES AND FUNDING OBJECTIVES**

**A. COMMUNITY SHELTER BOARD (\$286,028)**

Funds will be allocated to the Community Shelter Board (CSB) to support activities necessary to the continuing operation of the Board's mission. The purpose of the CSB is to coordinate and stabilize the base funding of emergency shelter programs. Their funding does not replace, but rather complements, other funding for shelter programs. The CSB reviews proposals from local agencies serving homeless families and individuals based on the priorities of CSB to address immediate survival assistance and to reduce the number of homeless persons needing emergency shelter.

The CSB will allocate funds to six homeless programs to enable them to continue to provide emergency shelter services to men, women and children.

### III. DESCRIPTION OF ACTIVITIES AND FUNDING OBJECTIVES

#### A. HOPWA PROGRAM (\$584,000)

The HOPWA program coordinates the federal HOPWA formula grant program for the eight county (Delaware, Fairfield, Franklin, Licking, Madison, Morrow, Pickaway and Union) Metropolitan Statistical Area (MSA); represents the "Public Health and Housing Community" in an array of venues such as the Continuum of Care system, the Consolidated Plan planning process, the Ryan White/Care Act, Title II/III Consortia/Advisory Committee, the Columbus Coalition for the Homeless, the Union County Housing Coalition, the Delaware County Affordable Housing Task Force and oversight contact for the HIV/AIDS Housing Plan process for the MSA. HOPWA funds will be used to manage the contracts funded as a result of the 2004 RFP process, assure Housing Assistance Resources are maintained and/or expanded and are accessible for income-eligible persons infected with HIV throughout the entire MSA.

In addition to the above activities, in 2006 HOPWA funds will be used to distribute and oversee implementation of the recommendations of the HIV Strategic Housing Plan. This plan, a joint collaboration of the eight- county MSA steering committee and a technical assistant from HUD, was completed in late 2004 and began to be implemented in 2005.
