## Part I Area Commissions

### B) Resumes/Bios

Please obtain and attach a brief Bio or Resume from any new Area Commissioners and attach it to the Membership Registration Form (see enclosed two samples). Resumes do not have to be extensive but the Mayor's Office wants to know who is being nominated for appointment.

#### SAMPLE 1

#### RESUME – David Van Order

I am married (Melinda), with 2 great daughters (Julie & Katie) who are both graduated from Westland High School and currently attending Columbus State. I am a lifelong Westside resident and have lived in the Westland area for the past 23 years. I graduated from West High School and The Ohio State University.

I was until recently unemployed for just over a year; my employer of the past 27 years closed their Columbus operations. I have recently been hired as purchasing manager for E and I Corp. in Westerville. I am a member of Charity Newsies and am an officer of the Ohio Grand Council of United Commercial Travelers of America.

I have long held a desire to become a part of the Westland Area Commission. When I read the commission had a vacancy, I decided to pursue it since my daughters had graduated high school and I had more time to devote to the WAC. I believe we have an obligation to try to better the communities in which we live and I thought this would be a good place to start. I believe the next few years will be an exciting time on Columbus' Westside with the arrival of the Hollywood Casino and accompanying developments. I embrace being a part of the group that helps to decide how best to manage this growth. Additionally we have construction beginning on a new city park on West Broad Street and Battelle Darby Creek Park growing at a rapid rate, making this an exciting time.

I will strive to listen to my neighbors concerns and voice those to City Council. I have thought that the Westside of Columbus has generally been ignored by Council in terms of development, and not necessarily by design. It has been many years since the Westside has had representation with a Council member. It is my hope to be Westland's voice to Council so that growth and dollars spent will be on what the residents deem important to the
