Evaluation of Technical Proposal MBE/FBE Participation Describe what role, if any, an MBE/FBE will serve in performing the proposed work. Offeror: ATS Chester Engineers (MBE) Proposed MBE/FBE: Describe role of MBE/FBE if applicable in the space below: Offeror: **Burgess & Niple** Proposed MBE/FBE: Dynotec, Inc. (MBE), Resource International, Inc. (FBE) Describe role of MBE/FBE if applicable in the space below: Dynotec, Inc. (MBE) is identified as providing WTP/Pump Station design and civil engineering services. Resource International, Inc. (FBE) is identified as providing geotechnical engineering and monitoring and surveying services. Offeror: **CH2M HILL** Proposed MBE/FBE: Resource International, Inc. (FBE), Advanced Engineering Consultants, Inc. (FBE), Kabil Associates, Inc. (AS1/ASN) Describe role of MBE/FBE if applicable in the space below: Resource International, Inc. (FBE) is identified as providing surveying, easement preparation, geotechnical, and field sevices. Advanced Engineering Consultants, Inc. (FBE) is identified as providing electrical and mechanical engineering services. Kabil Associates, Inc. (AS1/ASN) is identified as providing structural and architectural engineering services. Offeror: CT Consultants, Inc. Proposed MBE/FBE: CTL Engineering, Inc. (MBR/ASN), Moody - Nolan (MBE) Describe role of MBE/FBE if applicable in the space below: CTL Engineering, Inc. (MBR/ASN) is identified as providing geotechnical services. Moody - Nolan (MBE) is identified as providing architectural services. DLZ Ohio, Inc. (MBR/ASN) Offeror: Proposed MBE/FBE: Dynotech, Inc. (MBE), ASC Group, Inc. (FBE) Describe role of MBE/FBE if applicable in the space below: Dynotec, Inc. (MBE) is identified as providing surveying, process and distribution services. ASC Group, Inc. (FBE) is identified as providing ecological services. Offeror: Dynamix Engineering Ltd. (MBE) Proposed MBE/FBE: Kabil Associates (AS1/ASN) Describe role of MBE/FBE if applicable in the space below: Kabil Associates (AS1/ASN) is identified as providing architectural, structural and civil engineering services.

Evaluation of Technical Proposal MBE/FBE Participation Describe what role, if any, an MBE/FBE will serve in performing the proposed work. Offeror: HDR Engineering, INC. Advanced Engineering Consultants, Inc. (FBE), Dynotec, Inc. (MBE), Proposed MBE/FBE: Prime Engineering & Architecture, Inc. (FBE), Resource International, Inc. (FBE) Describe role of MBE/FBE if applicable in the space below: Advanced Engineering Consultants, Inc. (FBE) is identified as providing electrical and mechanical engineering and instrumentation/controls services. Dynotec, Inc. (MBE) is identified as providing civil engineering, construction administration, and resident inspection services. Prime Engineering & Architecture, Inc. (FBE) is identified as providing architectural and structural services. Offeror: Malcolm Pirnie, Inc. Proposed MBE/FBE: none Describe role of MBE/FBE if applicable in the space below: Offeror: ms consultants, inc. ATS-Chester Engineers (MBE), CTL Engineering, Inc. (MBR/ASN), Dynotec, Inc. (MBE) Proposed MBE/FBE: Describe role of MBE/FBE if applicable in the space below: ATS-Chester Engineers (MBE) is identified as providing process design services. CTL Engineering, Inc. (MBR/ASN) is identified as providing geotechnical engineering, existing structure evaluation, analytical chemistry, materials testing, and roofing engineering services. Dynotec, Inc. (MBE) is identified as providing surveying services. Offeror: R.D. Zande & Associates, Inc. Proposed MBE/FBE: Prime Engineering & Architecture, Inc. (FBE), O.A. Spencer, Inc. (MBE) Describe role of MBE/FBE if applicable in the space below: Prime Engineering & Architecture, Inc. (FBE) is identified as providing geotechnical services. O.A. Spencer, Inc. (MBE) is identified as providing architectural services. Offeror: United Consultants & Associates (AFA) Proposed MBE/FBE: Describe role of MBE/FBE if applicable in the space below:

Offeror: URS Corporation

Proposed MBE/FBE: Advanced Engineering Consultants, Ltd. (FBE), Prime Engineering & Architecture, Inc. (FBE),

Solar Lee Testing Labs, LLC (MBE), XYZ Survey Service, LTD. (FBE) (MBE)

Describe role of MBE/FBE if applicable in the space below:

Advanced Engineering Consultants, Ltd. (FBE) is identified as providing electrical and mechanical engineering services.

Prime Engineering & Architecture, Inc. (FBE) is identified as providing civil/structural engineering, and construction inspection services

Solar Lee Testing Labs, LLC (MBE) is identified as providing geotechnical engineering, soil borings and materials testing services.

XYZ Survey Service, LTD. (FBE) (MBE) is identified as providing surveying services.
