LPA RX 887 T

Rev. 07/09

This description and survey was prepared and reviewed on February 5, 2015, by Joseph S. Bolzenius.

The centerline described in this document refers to the centerline of construction as shown on the City of Columbus roadway plan “Dierker Road Sidewalk Improvements (3112 Dr. E)”.

The basis of bearings in this description area based on the State Plane Coordinate System, Ohio South Zone, NAD83 (NSRS 2011), which were determined by GPS observations conducted by the Patrick Engineering survey staff. The Columbus, Mount Vernon and McConnelville CORS stations were used, which establishes a bearing along the centerline of Dierker Road to be N 2°55'27”E between Henderson Road and Bethel Road.

Joseph S. Bolzenius, PE, PS
