**CITY OF COLUMBUS - BID WAIVER INFORMATION FORM  
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF  
COLUMBUS CITY CODES CHAPTER 329  
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)**

---

1. In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)

- An unanticipated breakdown created an unplanned, emergency need.
- The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: The Department of Public Utilities has an immediate need for a data archiving and electricity billing interface for its utility billing system (CUBS). The system vendor, Ventyx, has been providing professional services to customize the system to satisfy DPU requirements, so is best able to continue work with additional customizations that need to be completed by April 2011.

---

2. Informal bid procedure used:  Yes  No Explain:

The existing software vendor has unique knowledge of the CUBS system and is best able to provide additional services required for data archiving and integration with commercial electricity meter systems. Alternative vendors do not have this knowledge, so would not be able to provide a reliable cost estimate of required work.
