

GEICO Insurance Company wishes to donate a 2016 gray Ford Explorer Limited 4WD SUV (1FM5K8F82GGC90086) to the Fire & Explosives Investigations Unit of the Columbus Division of Fire. The approximate retail value of this vehicle is \$25,275. The purpose of the vehicle is to incorporate it into the existing unmarked fleet of vehicles to conduct investigations, surveillance, follow-up, etc.

The vehicle was previously owned by a resident of New York. The vehicle was stolen without the key fob on 03/30/2019 at the JFK Airport Parking Garage in Jamaica, NY. The vehicle was recovered on 05/21/2019 just outside of Toledo, OH by the Sylvania Twp. Police Department.

In addition to signing and executing the attached NICB Permanent Donation Agreement, GEICO kindly requests a quarterly reporting to the National Insurance Crime Bureau (NICB) arrest information by the Unit. NICB will in turn share the arrest information with GEICO management when the case is made public. Additionally, GEICO and the NICB are interested in significant case results whereas the donated vehicle was specifically used in either solving a criminal case and/or an arrest.

The vehicle is currently stored in Cleveland, Ohio. On 10/18/2019, GEICO confirmed a new key fob has been programmed for the vehicle and the vehicle was successfully started.

On the agreed vehicle pick up date in Cleveland, the title, vehicle, and key fob will be presented to the Columbus Division of Fire. Also, upon an agreed date and time, GEICO wishes to have all parties present for an informal photo opportunity. The purpose of the photo op will be used internally by GEICO to communicate their support of the fire service and constant effort to combat insurance fraud.
