RE: Leach, Labrie and Wittke Repair Service and Parts Replacement

Mr. Justin Tunks, Procurement Specialist:

Please accept this response to your inquiry on our distribution method of service and support parts of our Leach, Labrie and Wittke brand of products.

All Leach, Labrie and Wittke service part sales for our North American distribution channel originate from our USA operations site in Oshkosh, Wisconsin. All of our end user part sales occur through authorized distributors with defined territories.

Columbus, OH falls into the geographic area which is supported by our distributor, Best Equipment Company, 12620 York Delta Drive, North Royalton, OH 44133. Best Equipment Company is the only and sole authorized distributor to sell our parts, services and equipment for your account.

Should you have any further questions, do not hesitate in contacting Best Equipment Company or our office directly.

Best Regards,

Rod Langhoff
Vice President – Labrie Enviroquip Group USA Operations.
