Please see the response below from Motorola in regards to payment terms. Please let me know if you have any questions or have any further concerns.

Respectfully,

Kerry Bonaventura

Kerry,

In regards to the 2018 and beyond contract payments. In section 5.1 it requests payment in 30 days. There is not a late payment penalty if payment is not received by the 30 day mark. Due to Government fiscal cycles it can happen that payment is received late. I/We will work with Columbus in this situation to ensure services and support are carried over while payment is being arranged.
