I write this to inform you that G & G Fitness is the exclusive distributor and **sole source** for Life Fitness, Hammer Strength and Cybex products in the Ohio, Kentucky, Indiana and Pennsylvania markets. Product purchased from any other source may have an invalid warranty since Life Fitness cannot guaranty the integrity of that product. G & G Fitness will also provide service, maintenance, and warranties in the territory for Life Fitness products.

Should you have any questions regarding the distribution of Life Fitness products, please contact me.

Thank you for your consideration.
