Currently, formal bid average completion time is 189 calendar days.)

- An unanticipated breakdown created an unplanned, emergency need.
- The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: Formal bids were received, however, they were considered on an informal basis.

2. Informal bid procedure used: Yes No **Explain:** Formal bids were received by the Purchasing Office on 11/03/05. The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06. (Proposal No. SA001805). Three bids were received, full-scales field trials were conducted and all were deemed non-responsive to technical specifications. All bids were rejected and laboratory bench tests were conducted.
