Biographical Resume: Paul Walter

Paul Walter is in his third year as the owner of Metropolis Motorsports Group, a business consulting firm specializing in operations efficiency and special projects implementation. Previously, he spent nearly six years as Operations Manager for a global auto racing team. Living in Italian Village and a Short North business owner in the early 1990s, Paul Walter has been a neighborhood resident for over a decade. He has extensive experience in construction and renovation, working on multiple projects over nearly 20 years. Since purchasing their current residence on Hubbard Avenue, Paul and his partner, Meredith Simpson, have engaged in a wide-ranging effort to improve the property. They have restored the wood floors throughout, renovated a complete bathroom, built a new garage and completed a multitude of interior improvements. Additionally, they have overseen the replacement of their slate roof and copper gutters, extensive masonry restoration and the refinishing of all the exterior wood details. Paul is also currently in-contract to purchase a Victorian Village commercial property and business in the interest of expanding his involvement in the community and contributing to the growth of the district.
