QUOTATION

Ref.: US1102 / Maintenance and technical support on CPU: HP3000 Series: 928/64, Class 50, HPSusan# 1960610271, covering the period of: September 1st, 2010 to August 31st, 2011:

- Classic Speedware Development: \$ 21,386.20

- Omnidex Interface : \$ 3,207.60

TOTAL per year: \$ 24,593.80 USD

Effective September 1st 2010, your maintenance and technical support term will be up for renewal.

To ensure continued service, including technical support via telephone and Speedware's support web site, as well as software updates, etc., we are renewing your annual support for another one-year term under the automatic renewal terms governing maintenance and support. This can be cancelled in writing 30 days prior to the start date of the new term.

Remaining terms and conditions agreed upon in the initial agreement between yourself and Speedware continue to govern.

We look forward to providing you with the very best in technical support over the next term of this agreement. If you have any questions or require additional information regarding your renewal, please contact your sales representative or me.
