

To Whom It May Concern:

The Authorized Elgin Distributor for the **State of Ohio** is:

JACK DOHENY SUPPLIES OHIO
1860 SUMMIT COMMERCE PARK
TWINSBURG, OH 44087

TEL: 330 – 963 – 7766
FAX: 330 – 963 - 7793

As an Authorized Elgin Distributor, Jack Doheny Supplies Ohio, maintains an inventory of Elgin Performance Matched Replacement Parts and a staff of factory trained technicians to provide service and support to users of Elgin Sweepers.

We often learn of instances where other parts suppliers, specifically Old Dominion Brush Co. (ODB), have attempted to represent themselves as suppliers of genuine Elgin parts, or as being authorized by Elgin to manufacture replacement parts. Please be advised that **Elgin Performance Matched Replacement Parts** are sold only through Authorized Elgin Distributors. The Elgin Sweeper Company does not provide other suppliers - will fitters - with our design specifications. In addition, we have not authorized any other manufacturer to make or distribute current Elgin replacement parts. Old Dominion Brush Company is not now, and never has been authorized to sell or distribute genuine **Elgin Performance Matched Replacement Parts**.

If you have a question regarding identification of an Authorized Elgin Distributor, please call the Elgin Sweeper Company at 847-741-5370. We will be happy to provide you with the required information.

Sincerely,

Mario J. Martinez
Manager, Parts and Service
Elgin Sweeper Company
Five Star Manufacturing
