What Has Been Your Best Learning Experience and What Made It A Good Learning Experience?

My best learning experience happened when I was in college. I learned that all people bleed the same color. As a black girl moving in in Ohio, we lacked diversity. It wasn't until college that I realized that we all people are the same just different color. We have same problems.

IV. Statement of Commitment

In 250 words up to 500 words, please respond to each of the following questions to explain your commitment to public service. Your response may be up to two (2) typewritten pages.

1. What traits do you feel define you as an emerging leader?
2. What makes you passionate about the greater Linden Community--south neighborhood?
3. What do you seek to gain, learn, or plan to achieve by serving on the South Linden Area Commission?

As an emerging leader, I inspire to inform people. I am smart and considered myself an overachiever. I am a very driven person who takes to attain results.

My daycare is in Linden. I love the families here and I always serve them to the best of my ability. I am always looking for resources to help them. I went to Washington to represent not only my nephews but my child in my center. As a commissioner I seek to learn, plan, achieve. I would like to attract more business and investments. I would love to see South Linden look like the University district.
