The status, Majority, MBE or FBE, of all companies bidding, or submitting an RFP or RFSQ

Crescent Electric DBA Northwest Controls – Majority Status

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

This legislation authorizes the Director of Finance and Management to enter into a contract with Crescent Electric DBA Northwest Controls for the purchase of nine (9) Human Machine Interface (HMI) Systems with the Modicon Magelis Platforms for the Division of Sewerage and Drainage. The Human Machine Interface (HMI) Systems will be used at the Division of Sewerage and Drainage, Jackson Pike Wastewater Treatment Plant in the blower buildings, the area of the plant that aerates the wastewater to aid in aerobic digestion of the waste. The systems will be integrated with the existing system to control various plant processes.

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

N/A

An estimate of the full estimated cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

\$76,720.98
