

2024 Produce Perks In-Kind Hours Verification Form

Awarded to: City of Columbus Health Department dba Columbus Public Health

This document reflects the total number of in-kind hours committed to the project by City of Columbus Health Department dba Columbus Public Health at the below listed site(s) and reflects program implementation costs corresponding to the resources the site brings to the project, based on hours of operation and length of season. Site staff and volunteers track time spent administering the program monthly and submit via Produce Perks Midwest's monthly invoice form.

Columbus Public Health Farmers Market

City of Columbus Health Department dba Columbus Public Health acknowledges that as a site participating in the Produce Perks Midwest's Nutrition Incentive Programming between **January 1, 2024 and December 31, 2024**, the following number of hours were spent administering and promoting the program:

Staff Hours:	104.00
Volunteer Hours:	0.00
Total Hours:	104.00

Our total in-kind contribution is \$3,242.72 which is the total hours above valued at a rate of \$31.18/hour¹.

By signing, I acknowledge the following (*please check the boxes below*):

- ☒ The number of hours listed above is accurate.
- ☒ Federally-funded staff time has **not** been reported and counted toward in-kind match.
