**Please provide a brief description of your background including the following:**

I grew up in Lodi, OH. Graduated from Pensacola Christian College with a Bachelors Degree in Pastoral Ministries. After graduation I served for 3 years as an assistant pastor in Castle Rock, CO. After returning home from Colorado I worked in sales for Verizon Wireless as a Business Account Executive serving the Gahanna, Westerville, and Blacklick area. This past November I joined the team at Fellowship Baptist Church as the Administrative Pastor.

**How long have you worked or lived in Columbus:** 2.5 years

**Where do you currently work, or if retired, where have you worked in the past?**

I am currently the Administrative Pastor at Fellowship Baptist Church.

**Describe your community involvements in the past:**

Being new to Columbus I have not been involved in community very extensively outside of church related events. As a church we love to help and show love to the community as often as we can. The most recent event I headed up was a community service outreach at a local laundromat where we paid for laundry for most of the day, provided food, and had free games in order to bless the people in our neighborhood.

**List your current affiliations (can attach additional information):** I have no particular affiliations.
