

Commissioner: Lillie Banner

How long have you lived in the neighborhood?

42 Years

What interests you about getting involved with your Area Commission?

As a concerned citizen, I want to know information about where I live, what happened and concerns about my neighborhood.

Are you employed? If so, in what field and with what employer?

I am now retired, but was a caregiver for 30 years and still caregiving. I also volunteer at the food pantry at my church.

-Do you serve on any boards, committees, or other community or business associations? If so, please list them.

I service on the Public Service and Zoning Committee with my Commission. I am very active in my church, their food pantry, the children's church, women committee and also co-chair the Reeb-Hosack Steelton Committee.
