To Whom It May Concern,

Please accept this letter to document that Life Technologies/Applied Biosystems is the sole manufacturer of the ABI models 310, 3130, 3130XL, 3500, and 3500xl Genetic Analyzers. 7500 Real-Time PCR instruments. And 9700, Veriti, and ProFlex Thermal Cycler instruments. These unique instrument systems are used for Human Identification applications along with GeneMapper, GMID-X software, and HID RT Software. The ABI Prism Genetic Analyzers are the only single, four, eight, sixteen or twenty-four capillary systems manufactured in the world that have the ability, and are validated, to analyze Human DNA samples for the purpose of Human Identification, utilizing capillary electrophoresis technology. Life Technologies/Applied Biosystems are also the sole manufacturer and distributor of Genemapper, Genemapper ID-X and HID RT Software. These are unique software systems used to analyze data generated on the Genetic Analyzer and Real-Time PCR platforms.

Life technologies/Applied Biosystems is the sole manufacturer and distributor of all AB kits (Including Globalfiler and Yfiler Plus), reagents, capillaries, HPS and related consumables used in conjunction with these instruments. These products are sold direct, and are available exclusively from Life Technologies/Applied Biosystems. We are the manufacturer and sole source for replacement parts and service of Life Technologies/Applied Biosystems instrumentation by factory trained and certified engineers.

Further documentation describing the unique specifications of the Life Technologies/Applied Biosystems ABI Prism Genetic Analyzers, and other ABI Instrument Systems, can be found in our user manuals, and are available upon request.

Life Technologies does not have authorized distributors in the United States.

This information should justify Life Technologies as your "Sole Source" supplier for the instruments, software, consumables, support and service that you need to perform your DNA Analysis, for the purpose of Human Identification.

If you need any further information please feel free to contact me at your convenience.

Regards,

Gabe Feltner
Senior HID Account Manager
