

Carl Lee, NCAC

1. How long have you lived in the neighborhood?

35 years.

2. What interests you about getting involved with your Area Commission?

Mr. Lee was already doing community organization work with youth. He was advised by his father that he may be useful there in order to further represent the community. His hope in joining was to have more agency in advancing the needs of the community, particularly as it pertains to the well-being of children.

3. Are you employed? If so, in what field and with what employer?

Retired, does do substitute teaching with Columbus City Schools since 2008.

4. Do you serve on any boards, committees, or other community or business associations? If so, please list them.

Committees and boards with the Institute of Electrical and Electronics Engineers.
