**STAFF REPORT
DEVELOPMENT COMMISSION
ZONING MEETING
CITY OF COLUMBUS, OHIO
NOVEMBER 8, 2018**

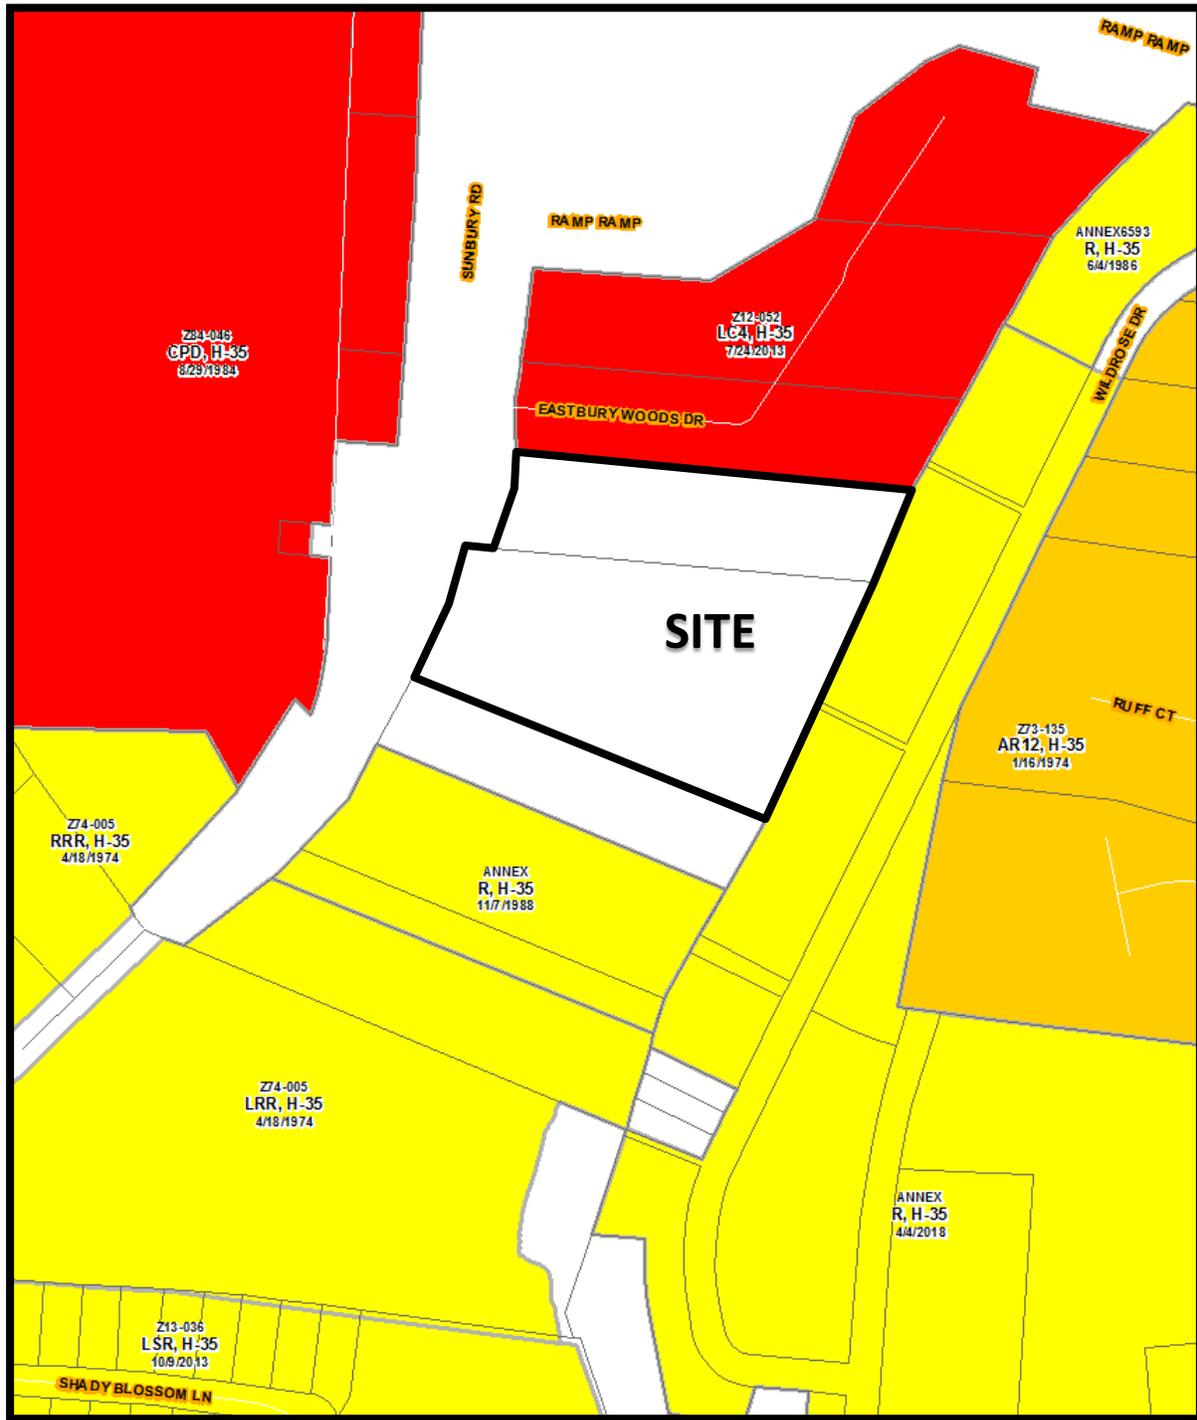

- 5. APPLICATION: Z18-051**
Location: **5850 SUNBURY ROAD (43230)**, being 6.3± acres located on the east side of Sunbury Road, 1,000± feet south of State Route 161 (110-000886 & 110-000698; Northland Community Council).
Existing Zoning: R, Rural District (Pending Annexation).
Request: L-ARLD, Limited Apartment Residential District.
Proposed Use: Multi-unit residential development.
Applicant(s): Metro Development LLC; c/o Jill S. Tangeman, Atty.; 52 East Gay Street; Columbus, OH 43215.
Property Owner(s): Lisa Pickens Silva; 5850 Sunbury Road; Columbus, OH 43230.
Planner: Michael Maret; 614-645-2749; mjmaret@columbus.gov

BACKGROUND:

- The 6.3± acre site consists of two parcels, both of which are developed with single-unit dwellings pending annexation into the R, Rural District. The applicant proposes to develop the site with a multi-unit residential development in the L-ARLD, Limited Apartment Residential District.
- The site is bordered to the north by an extended stay hotel in the L-C-4, Limited Commercial District. To the south are single unit dwellings in various residential districts in the City of Columbus and Blendon Township. To the east is Big Walnut Creek. To the west is undeveloped land in the CPD, Commercial Planned Development District.
- Concurrent CV18-067 has been filed to reduce the perimeter yard setback along the north property line. That request will be heard by City Council and will not be considered at this Development Commission meeting.
- The site is located within the *Northland Plan Volume II* (2002) “Blendon District” which recommends infill development that is compatible with surrounding land uses.
- The site is located within the boundaries of the Northland Community Council, whose recommendation is for approval of the requested district (13-3).
- The limitation text includes commitments to setbacks, bicycle parking, buffering and screening, building materials, lighting, and a site plan.
- The *Columbus Thoroughfare Plan* identifies Sunbury Road as a 4-2 arterial requiring a minimum of 50 feet of right-of-way from centerline.

CITY DEPARTMENTS' RECOMMENDATION: Approval.

The requested L-ARLD, Limited Apartment Residential District will permit a multi-unit residential development with 84 units on the site. The proposal is consistent with the land use recommendations of the *Northland Plan Volume II* as comparable higher intensity development is occurring on both sides of Big Walnut Creek due to past expansion of State Route 161. The applicant is also providing a substantial buffer to the south and open space / natural areas along the creek.

Northland Plan Volume II (2002) – “Blendon District”

Blendon District

This district is almost completely annexed and zoned in the city of Columbus. The district stretches from Hamilton Road to I-270 (east to west), and SR-161 to Morse Road (north to south). The predominant land-uses are the Blendon Woods Metro Park, Hap Cremean Water Plant (Columbus), detached single-family subdivisions, some condominium and apartment units, and burgeoning commercial uses along Hamilton Road. Additional roadways in this district include Sunbury and Broadview roads.

Blendon District

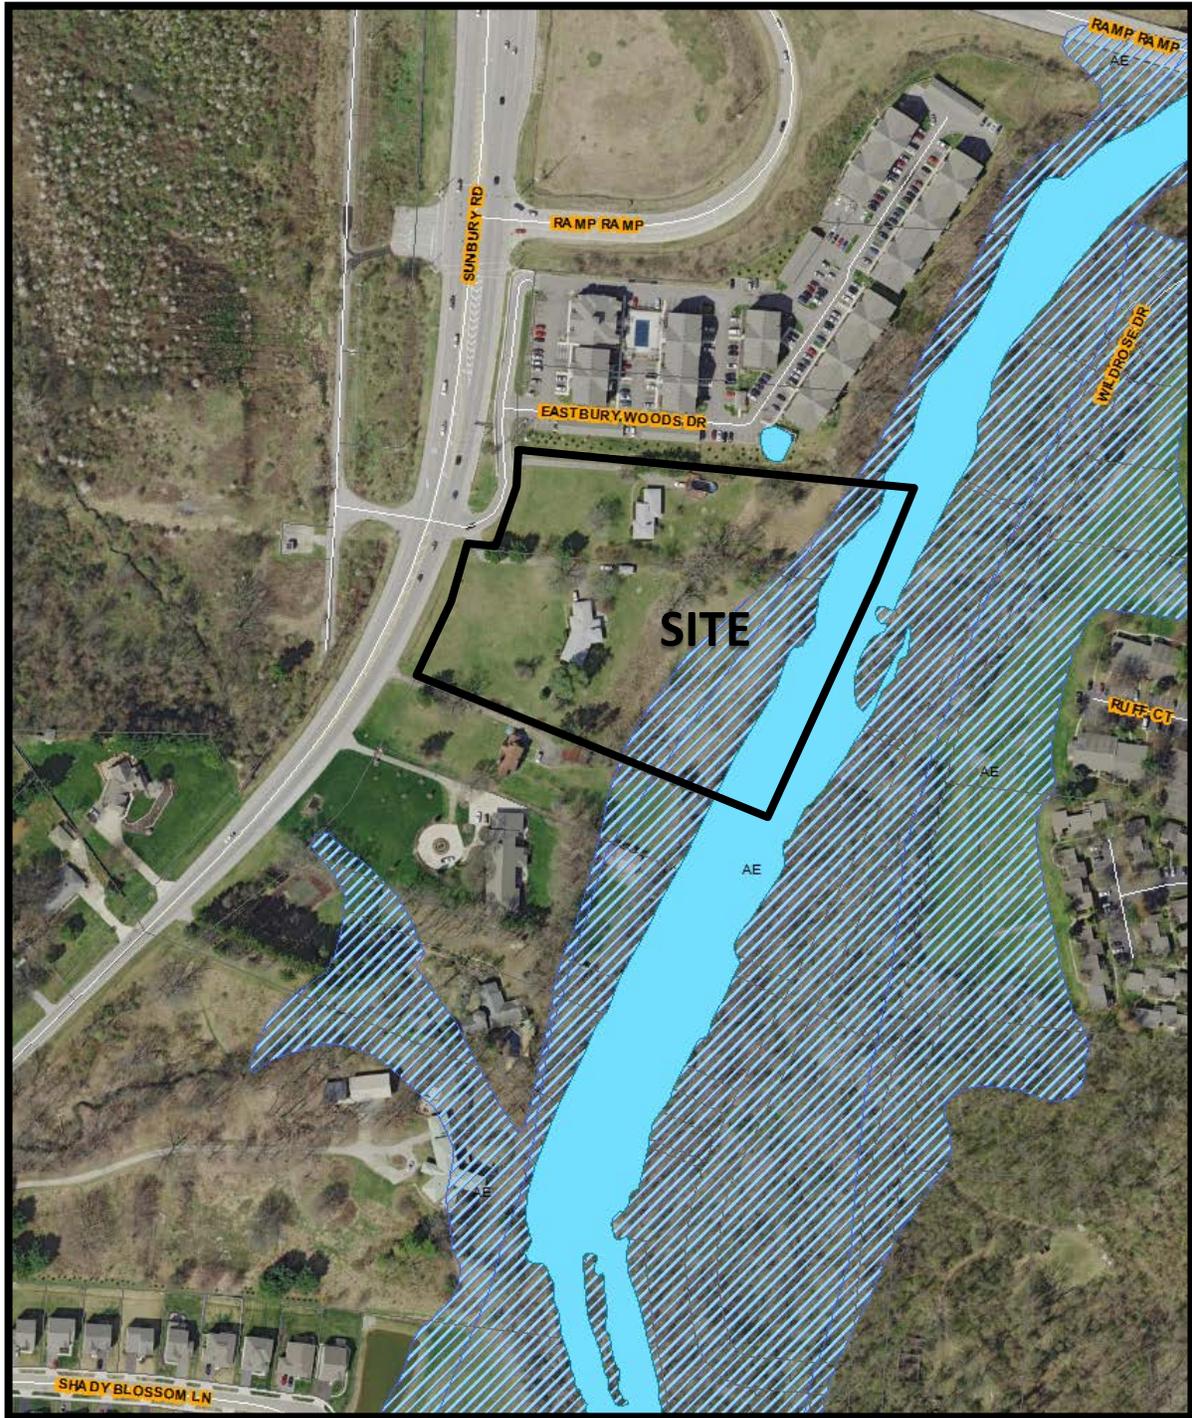

It is the recommendation of Northland Plan – Volume II that:

- *Future redevelopment or rezoning of parcels currently zoned in Columbus adhere to the Northland Development Standards*
- *Future development of the prime opportunity site at the southeast corner of SR-161 and I-270 take into consideration views from the freeway and buffer the residential areas to the south. Recreation and Parks consideration of this site for future recreation purposes is encouraged, however it is acknowledged that the site currently is zoned CPD, commercial planned development.*
- *Infill development that is compatible with surrounding land-uses be encouraged.*
- *Adequate buffering of any development adjacent to the Blendon Woods Metro Park be provided in consultation with Metro Parks.*
